## **From Reader Review Cheating on Anna for online ebook**

### **Sheila Read says**

I remember the cover just not the story.

---

### **Winna says**

A bit too short for the drama between Sal-Anna-Liz

---

### **Rachel Brand says**

I read a whole bunch of these books when I was nine, before moving on to the SVH, Senior Year and SVU. These were definitely the cutest, and on par with Senior Year for realism.
