Sheila Read says

these books were like reading a diary each book was different though it was like you were in school again.

Martina Fuskova says

all books from this serial were with me in my childhood and puberty-time ;) and in that time it was great. One time...I will read it with my daughters

Fisdha says

Walau critanya simple banget, cm memoriable bngt..

Diah Didi says

Cewek pinter ketemu cowok badung? Klise. Tapi tetep aja saya suka banget. Hmpfh!

Allison falling for the "bad boy" is something no one saw coming! It's okay, girl. He's very sweet once you get past his rough exterior and obviously dotes on you - something we see throughout the rest of the series from her friends' POVs. This kid has it bad for her!
