Found: God's Peace: Experience True Freedom from Anxiety in Every Circumstance John F. MacArthur Jr.

In *Found: God's Peace*, trusted pastor and teacher John MacArthur tackles this vital question head-on. Throughout the book, MacArthur shares principles to help you overcome uncertainty, defeat worry, and experience true freedom from anxiety.

As Pastor John MacArthur writes, the key to worry-free living is to replace worry with prayer, right thinking, and action. Here he draws on rich biblical truths to show us how.

John MacArthur is the pastor-teacher of Grace Community Church in Sun Valley, California, president of The Master's College and Seminary, and featured teacher with the Grace to You media ministry. With over four decades in the ministry, John has written dozens of life-changing books, including *The MacArthur Study Bible* and *The Gospel According to Jesus*.

Mary Goutermont says

This is a great and inspiring book.

This book continues to teach and inspire me as I ponder God's word. It gives advice and guidance that continues long after the reading of it. Your

Peter says

This is a must read whether new or old in the faith. A small book yet one of those that will truly make a huge impact in your thought life as a Christian.

Erica Mbasan says

This little book was good, and it had good scriptures and insights, although I found the writing a bit dry. Overall, I think it is a good resource and encouragement to not worry or fear.

Naïka Joseph says

Very practical book and easy to read.

Leslie says

I don't remember downloading this book, but I am so glad I did! I have been dealing with peace or trying to obtain peace. This book helped to remind me that peace is God given and simple to get. I know, I know, it's harder than it sounds.

Beth Luebke says

This is a short 3-chapter piece, expanded from another of MacArthur's books, contains biblical guidance on how to address the roots of anxiety. It touches the surface of how to approach one's fears with both real-life examples of people who have experienced anxiety as well as Scripture that can help a person experience greater trust in the Lord. I found the book helpful in addressing anxiety from a spiritual standpoint, but I don't think it addresses larger issues - like genuine brain chemistry problems, and it seems to take a sour view of counselors as a whole. Then again, it's a shortened version of another book, and maybe that

addresses more than what these few chapters can.

Adam says

This little book is loaded with Scripture and doesn't waste any time getting to the point. The only peace we can truly have comes from God, and it's not something we are born into--it's something we have to work for. MacArthur takes the text and shows the way.

Maria says

Rating: 3.5 out of 5 stars.

Cindy says

Excellent, as always.

Michael says

Found: Solid Biblical Teaching

John MacArthur gives good Biblical teaching in his books. We can be free from anxiety and depression through Jesus Christ.

Pete says

Easy to read in just a few hours as I did today. Practical help on anxiety. Some great quotes from Jay Adams and insights on how we can trust God's plan. Anxiety is always knocking so having a quick read is very useful.

Josiah says

Hugely helpful in refocusing my attention on the true source of peace amidst life's trials.
