Mick Foley's Christmas Chaos Mick Foley

What does Santa do when things get out of hand at his North Pole castle? He brings in the World Wrestling Federation Superstars! Mick Foley's Christmas Chaos is a hilarious modern classic with all the heartwarming magic of a cherished tradition. Riotously illustrated by Jerry "The King" Lawler, this new Christmas story will delight children, wrestling fans and readers of all ages. Make room on the shelf next to *The Night Before Christmas* and a Christmas Carol, because this Yuletide tale has attitude! Mick Foley - number one New York Times best-selling author, Hardcore Legend, and Commissioner of the World Wrestling Federation - crafts a delightful tale of mischief, mayhem and the true meaning of Christmas. When the elves revolt against Santa and refuse to make any toys and the reindeer gang up on Rudolph as though they've joined DX, Santa Claus gives up hope that anyone these days has the true Christmas spirit. When the situation looks its bleakest, Mrs. Claus calls in the cavalry - Kane, Jericho, Val Venis, Jerry Lawler, Kurt Angle, Edge and the rest of the Federation Superstars! How the wrestlers misbehave - making things even worse - and how one unexpected and unassuming person saves Christmas for the whole world is an unforgettable and uplifting story that will add good cheer to your holiday season year after year. Perfect for reading out loud near a crackling fire or while tucked in at bed time, Mick Foley's Christmas Chaos is sure to become a family tradition in your home.

David says

Another great book by Mick. This book also shows how awesome and talented The King Jerry Lawler is with drawing. This book is still a favorite among my kids.

Michele says

As a WWE fan and having read one of Mr. Foley's novels, I wanted to check out this children's book. It was cute, and the illustrations were great!

Susan Alvarado says

I've had this book for years and just found it and reread it. I forgot what a great writer Foley is. Funny funny holiday book. Two thumbs up :)

Koriander Bullard says

This is such a cute and funny book, that properly describes Christmas in the late 1990's. It has a really strong moral too and belongs in every household at Christmastime!

John Cress says

No secrets, it is what one thinks by the cover. Mick Foley writes a book in which wwe superstars save Christmas with illustrations.

Jamie King says

This holiday piece feels like a total bit of shovelware. Considering the date of the publication, lack of content and quality it appears clear to me this was simply churned out to make a quick buck off their popularity in wrestling.

The story is nothing special, or well presented but acts as an excuse to sprinkle in a handful of WWF references. The best part is that the entire book is in AABB rhyming format... that is the best part.
