Shanijah Ware says

Great Read but where is episode 3

The book was great. As huge as Atlanta even the state of Georgia is everything and everyone connected like a perfect puzzle. The description at the end said episode 3 would be released in December it's been almost a year since the anticipated released date?? what happened???

Melanie Drake says

Ok

I'm invested... so I'll read more. The book was intriguing, had a little difficulty following some of the stories due to the characters names, however decent rent.

Faith says

Wow

Wow, what a cliffhanger to keep us thinking until the finale. These ladies seem to have even more drama in this part. Poor Cici can't seem to catch a break. Love the chemistry between Czar & Apryl. Still fearful for Apryl's safety & hope the final installment ties up all storylines in a good way.

Teannette says
