Time, Times and a Dividing of Time - What did John really see?

Darrell Mowat

Time, Times and a Dividing of Time - What did John really see? Darrell Mowat

This book is about the possible future events known in the Bible as the "Great Tribulation" and end-times in general. With wisdom comes understanding, and God, through Jesus Christ and His Holy Spirit, is the revealer of all things! To this end it is more importantly hoped that the reader will develop or rekindle a relationship with your Creator and Jesus Christ while reading it!

Howard Hewitt says

thought provoking very different type of book

Carley Adair says

I won this book in a goodreads giveaway. It wasn't what I thought it was going to be like but it was ok.
