Jill says

This is such a lovely little board book for newborns on up. Sweet, high-contrast images will draw in baby's attention as will the rhyming text. Bonus points for including dads and POC. Great baby shower gift.

Trina Collins says

This was a decent book it had a nice flow and rhythm to it, it made me like it should be read quite quietly, my kids enjoyed it.

Ryan says

A rhyming picture book best for babies.

Cara Byrne says

While the prose is certainly soothing, the illustrations were not my favorite.
