Mercenary's Woman

Diana Palmer

Mercenary's Woman Diana Palmer

A fan-favorite contemporary romance from New York Times bestselling author Diana Palmer

"Retired" soldier of fortune Ebenezer Scott was a bad boy to the core. Schoolteacher Sally Johnson was the fresh scrubbed beauty from across the street. When Sally's life was put in danger, Ebenezer fought to protect her. But this sweet-natured beauty yearned for so much more. She dreamed of a lifetime of love in Ebenezer Scott's big, strong arms. Could she slip through his ironclad defenses and become this beloved mercenary's bride? Previously published.

Jalanan asmaranya biasa2 aj, malah berkesan hambar. Lebih suka sm kisahnya Cy Parks and Lisa :)

Karla says

3.75 stars

Amanda Sheila says

I liked it. There are two stories in this book but it's not anthology. Simply one main story and the other one. Good, I liked them both. I want to see more fire and angry-feeling in Jess and Dallas' story though, I think their story is so lack of attention. I need more.

So far so good, I love Diana Palmer so much it hurts.

Aayesha Khatri says

This one was definitely not one of Diana's best works. And even though I love her, I'm not blind. The book wasn't as bad as my usual 1-star books, but I didn't feel like it deserved a 2-star either. There was nothing *special* about this book, ya feel me? Plus I feel very criticising today.

Anyways, about the story. There was way, way, way too much talking about guns and covert ops and the drug lord Manuel Lopez. If she'd've concentrated more on the romance between the two main characters and less on the mystery/suspense theme, I'd have liked it better. Most of the time I was just bored to tears.

I also didn't *feel* for the characters the way I usually do in DP's novels. The way I get all hyper and worked up and feel the hurt and pain and anger *along* with the characters? Yeah. None of that happened.

Another thing. I usually hate novels where the main characters have bad history together. But Diana Palmer pulls off this theme really well. So well, in fact, that I *like* that in her novels. But this time it really was awful. (Mainly because she didn't concentrate on the romance.)

So...yeah. Not her best novel.

On another topic:

I am *SO* glad I have my .gifs back!

Unfortunately I'm traveling again.

GuisBell says

Hasta ahora este libro es el que más me gusta de la serie...

Chantal ♥? says

This one was very enjoyable by Diana Palmer

In this story the hero respects the heroine and talks to her about her feelings and listen when she speaking.

I loved most of this book and the action was great. Their chemistry was Amazing.

Worth the read and a keeper for me.

Lost a star because his reasons for staying away were weak at best!

Everyone is due some love and affection no matter what job they chose to do.

Happy reading.

Jenny says

Needed more romance, less mystery/suspense!

Fiverrr says

Me acaba de suceder algo gracioso, pense que este era el primer libro y resultado siendo el 4. siempre triunfando.

I mercenari di Jacobsville - Vol. 3/3

Ebenezer Scott non ha mai smesso di amare la dolce Sally, ma all'epoca si era tirato indietro perchè faceva un mestiere crudele: il mercenario.

Adesso, però, Sally è minacciata da un boss della droga, e lui è disposto a tutto pur di proteggerla... e di conquistare il suo amore.

Kath says

No es un gran libro, pero fue bastante entretenido.

Mercenary's woman

I read this book a long time ago .I still love it today. I hope that woman and even young girl's that faith love and Honor are still here today

Kaycee ♥? says

Eb Story is the first book in the **Soldiers of Fortune** Trilogy.

Ebenezer Scott, a retired Mercenary came back to Jacobsville to start anew and saw the girl he left behind. It had been six years since he and Sally ever spoken. She was seventeen when he sent her running away from him. He couldn't really blame her. He'd left her with some painful emotional scars. And now, she doesn't have any idea that her whole family is in a great deal of danger and her was her best hope of survival. But both Eb and Sally must battle demons from the past before they can learn to trust in love.

I enjoyed Eb's story but not as much as I enjoyed Cy Parks. Eb was your typical Diana Palmer's hero - taciturn, sexy, a lot older than the heroine, possessive but not verbally abusive to the heroine. I liked that he was sorry for the way he treated the heroine before but I totally understand why he did that. Sally was just seventeen then. But even then, Sally was important to him. She had been the first and only person who could thwart his black moods. And even she was away from home, he kept in touch with her Aunt to get news of Sally, of where she was, what she was doing, of her plans. I know it's kind of staking, but sweet nonetheless. He's always expected that she'd come back to him one day or that he'd go to her despite the way they'd parted.

Overall, **Mercenary's Woman** was a fun read filled with passion and danger. Plus, Jessica, Sally's Aunt and Dallas (another mercenary) love story was another interesting part of the book. I enjoyed their banters and actually rooting for them to get their happy ending. I also enjoyed meeting future characters such as Micah and Cord. And I loved the way Ms. Palmer's incorporated her soldiers with her Long Tall Texans.

Elizabeth says**Ebenezer & Sally**

This is the story of Eb, a retired mercenary that came back to Jacobsville to start a mercenary training compound. However he will be face to face with the girl he hurt and left behind. Sally is a young teacher that will have to learn to live in the same town with the man she ever loved but rejected her. This could have been a fantastic read if there was more romance. I was more interested in Dalla and Jess' s story and I think they deserved a book of their own.

This was a ok read for me

Alexis-Morgan Roark says

She saved all her love for him AFTER he brutally rejected her six years ealier. You meet up with some of the old characters and the storylines for some of the new characters begin to develop.

I was not satisfied with the whole Jessica/Dallas thing and keep hoping I learn more, but I can't recall hearing much about them in the later books that I've read.

This one was just ok for me. Kinda blah actually given how explosive and passionate some of the earlier books were.

Oh, well. Cy is next. Their backstories should add some interest to the next book.

Tracy Hall says**Good**

I enjoyed the book very much and look forward to the next book in the series. It as full of action and adventure and one explosion.
