Secret Kingdom: Royal Bridesmaids: Special 8

Rosie Banks

Secret Kingdom: Royal Bridesmaids: Special 8 Rosie Banks

King Merry's second cousin is getting married in a beautiful royal winter wedding! But Queen Malice hasn't been invited, and she's not happy...

Can Ellie, Summer and Jasmine stop Queen Malice and her Storm Sprites from causing trouble? And can they do the most important job of all and be royal bridesmaids!

RM Jessie says

To anyone who has managed to make it through to this finale book, I congratulate you,

Secret Kingdom was created to go alongside the Rainbow Magic series, also under the same publishers as Secret Kingdom. I love both book series but I found the whole Secret Kingdom series quite interesting as the plots are much different to each one, in comparison to each Rainbow Magic book which the main characters (Rachel and Kirsty) are repeatedly grabbing and taking from the goblins etc etc. However, in Secret Kingdom, the three main characters, Ellie, Jasmine and Summer, retrieve objects in many different ways each time and I loved that the authors didn't conclude the book's climax in the same way each time.

However, sadly, Secret Kingdom has come to an end. I guess it just wasn't popular enough, hence the lack of reviews for the later SK books on Goodreads. This book, Royal Bridesmaids, is a beautiful finale for the Secret Kingdom series. You get to see old friends and the descriptions and illustrations are beautiful. At the end, there is a preview for Rosie Banks' following series, Wish Princesses.

I would recommend this book to SK readers who have read some of the series. If you've experienced some of the Secret Kingdom adventures, you will understand this book much better than if you haven't ever read a Secret Kingdom book. Have fun!
