The Case of the Sundae Surprise Melinda Metz

Mary-Kate and Ashley are thrilled about participating in an ice cream-making contest at Sweet Sundaes, an ice cream store in town. Whoever invents the best new flavor will win a free sundae-a-week for a year! The twins stir up a delicious new flavor -- Creamy Orange Choco Chunk-and everyone agrees it's the best ice cream they've ever tasted. But it looks as if the yummy new flavor is a recipe for disaster! First, the ice cream disappears. Then their secret recipe is stolen. Can Mary-Kate and Ashley find the culprit before their sweet success turns sour?

Oh no! The special contest at the new ice cream shop near Mary-Kate and Ashley`s house, and someone stole the recipe! Not only that, but their special ingredient. When they find out Melanie switched it, the twins jump to the conclusion that Melanie was the one that stole the recipe. But when they find out that Melanie only 'traded' the orange chews with some polka dotted jelly beans. But when the other ice cream store in town, O`Nelli`s Old Fashioned Ice Cream Shoppe, steals her recipe, the twins` new friend, Charlie, takes the recipe, they find their thief. At the competition, Samantha`s ice cream, Mom`s French Toast, wins third place, Melanie`s Best of the Best flavor wins second, and Mary-Kate and Ashley`s Creamy Orange Choco Chunk and Tim`s flavor, Tim`s Monkey Chow win!

All of these are pretty cute, but I especially liked this one.

This book was okay .I likes how she gave red herrings throughout .But I Do wish she would have spent a little more time on these red herrings !She produced an awesome book that will have third graders picking it up around the Us . This is an older book so girls (and Guys) will heave to look for it a little bit ...These books are forgotten but not gone and this is a classic example of the older books really do compare to the newer ones !!!!This is a must read for and 2-3 grader !
