The Witch Is Dead (A Brimstone Witch Mystery Book 9) April Fernsby

Who murdered witch, Henrietta Whitmore? And why?

Justice witch, Cassia Winter, is asked to investigate the murder of a witch in the town of Dingy Skipper. With her cat and familiar, Stanley, at her side, they head over to the dismal town where evil hides around every corner.

They are soon confronted with many suspects including a fairy who can't help stealing things, a gnome who is unable to stop gossiping and an elf who lurks on street corners and watches everything that Cassia and Stanley do.

Before they can make a full investigation into the death of the witch, Cassia and Stanley are confronted by a clan of nasty vampires who make it clear the sleuthing duo are not welcome in Dingy Skipper. Despite being kidnapped, imprisoned and threatened, Cassia and Stanley persist with their latest case and refuse to stop until they unmask the killer.

An exciting mystery with a shocking ending.

Too close to home

Great stuff. When another town asks for help because someone killed a witch there, she goes even though her Gran is dead against it. Shapeshifters, vampires and a town under seize greet her. How did the witch die? Who is the Elf that has hurt her boyfriend and is constantly stalking her? How can she gather enough evidence to charge the vampire's? A really terrific read that will definitely keep you guessing until the end. Whilst you will be cheering on the characters in their fight to let goodness into a town that has given up hope.

Good of its kind

This is an excellent little mystery with lots of twists and turns and even I was surprised with its ending. You won't figure out who the killer is even though there are lots of clues!

Fun

My first book in this series! What a fun. Read! So happy I have it a try! Truly worth a read

Lynn says

another great cozy mystery frm this author .. i am so hooked i can never wait to get the next book in the series.. ont0 book 10 and no slowing down or nor is it getting boring..

Montzalee Wittmann says

What a fun and great witchy mystery

This mystery was really unique! A strange town in the magical world, a witch is murdered and the justice witch has to go solve the crime. Cassie and her cat go but are kidnapped and brought back by vampires. This just makes them more determined to go back. There are elves, fairies, trolls, messenger butterflies, shape-shifters, and so much more. A fun read with a really good mystery that I couldn't figure out! Love the fantasy, the fun characters, and the plot. Great series!

Kindle Unlimited, had 4 of the 4 of the set so far from freebies day {the latest is 4} but stopped to check for that when saw it was ku and that had just gotten 4 {but some things were 'off' so decided to go back to the beginning and through them all to give a fair shake} and ended up also finding The Leprechaun's Last Trick (A Brimstone Witch Mystery) which is also one from a freebie day, so really least could do is read/review them ALL. Missed #9 on freebie day, so now have them all but 9 singly and all three box sets AND the freebie day 1.5 as I call it {the Leprechaun one mentioned at bottom} AND #10 today. NOTE: the 3 sets START with #2 book, might try to find time to re-read them, there is something 'off' so only a 4 but want to pinpoint reason.

Murder Of A Werewolf (A Brimstone Witch Mystery Book 1)
The Leprechaun's Last Trick (A Brimstone Witch Mystery 1.5 basically)

As Dead As A Vampire (A Brimstone Witch Mystery Book 2)
The Centaur's Last Breath (A Brimstone Witch Mystery Book 3)
The Sleeping Goblin (A Brimstone Witch Mystery Book 4)
Brimstone Witch Mysteries - Box Set 1 {Does NOT include #1 NOR 1.5}
As Dead As A Vampire/The Centaur's Last Breath/The Sleeping Goblin

The Silent Banshee (A Brimstone Witch Mystery Book 5)
The Murdered Mermaid (A Brimstone Witch Mystery Book 6)
The End Of The Yeti (A Brimstone Witch Mystery Book 7)
Brimstone Witch Mysteries - Box Set 2
The Silent Banshee/The Murdered Mermaid/The End Of The Yeti

Death Of A Rainbow Nymph (A Brimstone Witch Mystery Book 8)
The Witch Is Dead (A Brimstone Witch Mystery Book 9)
A Deal With The Grim Reaper (A Brimstone Witch Mystery Book 10)
Brimstone Witch Mysteries - Box Set 3
Death Of A Rainbow Nymph/The Witch Is Dead/A Deal With The Grim Reaper

The Leprechaun's Last Trick (A Brimstone Witch Mystery)
It is a bridge between the first book (Murder of a Werewolf) and the second As Dead as a Vampire so listed it once here and once in order.

A young person's book

I enjoy cozy mysteries. I normally read a piece of fluff after reading a serious book. This book, however, seems to be aimed at young people and it should be Identified as such.

Eve Nash-Smith says

Amazing

Really like these books there a great read, they always make me want to continue reading them even when I should really be going to sleep. Lots and twists and turns. Hope there's more to come.

Christina Milosevich says

Engaging!

The characters and their adventures are entertaining. I have read each book in the series and can't wait to read

the next one!

Judy McDougall says

Keeps Getting Better

Wonderful reading. It has all the creatures a reader of paranormal/fantasy looks for in a great read. Holds the reader to the very end and makes you excited about and want to join in on Cassia and Stanley's next adventure.

Helen Robare says

I liked the author's other books and this one did not disappoint. Towards the end, I thought the villain might be the villain but began to second guess myself and think "no way is it ____". But it was! This was a light, enjoyable book. It did keep you guessing for quite awhile. Some of the spells were ingenious too. I read it in four hours and can't wait for the next one in the series to come out. If you're looking for an in-depth mystery, this isn't the book for you. As I stated it was a lighthearted book with easy to like characters but it wasn't "Gone With The Wind" or even close. But then every book doesn't have to be detailed and complex to be readable and enjoyable. :)

Mike Haxton says

I just read the entire series up to now I found a Charming.

This isn't exactly Tolstoy but these books are a lot of fun to read suspending a little disbelief helps but I would definitely recommend this series to anybody wants a nice light read that's fun.
