**War** Alan Nayes

WAR is the riveting conclusion to the sci-fi paranormal romance Learner Series.

The Šumayins have arrived from the Dark Universe.

NayéLi and Jared uncover the real mission her rulers have unleashed on Earth, forcing them and all humanity to flee for their lives!

While attempting to save their world, they discover everything regarding the last 200,000 years of human history has been a huge lie! But will learning the shocking truth help save Earth?

Who will be the last planet standing?
