A Place with Briar

Amber Leigh Williams

A Place with Briar Amber Leigh Williams

He's in some serious trouble

Cole Savitt does not want to deceive Briar Browning. But if he hopes to see his son again, he has to find the weaknesses in her charming bed-and-breakfast, then get out of town fast! But the quaint inn isn't the only thing charming him....

Cole's straightforward plan becomes anything but when he begins to fall for the beautiful innkeeper. Suddenly everything's on the line—his future with his son, a chance at happiness and the love of a good woman. Cole must rethink his priorities...and the stakes have never been higher.

Shemeka Mitchell says

Loved it! Absolutely loved it!

Harlequin Books says

"Great description and engaging characters make this story an entertaining read. Cole is nicely developed and his despair over losing his son and Briar's worry over the potential loss of her inn are both well drawn. The secondary characters, such as Briar's tenants, are also quite fun and nicely drawn (RT Book Reviews)". 4 stars

Kate Vale says

Briar Browning is desperate to keep her mother's B&B going, even without her father's support. Cole Savitt, a former detective, takes a room to learn how badly the B&B is doing after his ex-wife tells Cole he can see his 6-year-old son IF he spies on the owner. Why that request grates becomes clearer even as Cole is attracted to Briar. But Briar is right to question Cole's intentions, particularly when connections between his ex-wife and other characters who dealt with Briar's mother years earlier.

A great beach read.
