I'm really enjoying this series, but there were a few times in this volume where I felt like I'd just jumped into the middle of a conversation and completely missed the context.

Octavianny Mata says

este tomo lo lei rapido porque estaba entretenido por las tonterias de kuro y al kawaiii de misono pero veremos si esto se pone bueno en el siguiente tomo

Couldn't get my hands on volumes 1 or 2, of course, but enjoyed the third volume. I want to read more! The servants/vampires thing is cute. Yay!

Elinor Master of Gifs says

Cette série continue de se bonifier. Pas énormément d'action dans ce tome finalement mais on a pas mal de nouvelles infos, des nouveaux personnages... J'ai hâte qu'on continue à en apprendre plus sur Kuro !

Sleepy Ash says

The hype is real!! So need to cosplay one of these characters sometime.

Eugenia Argerami says

Pretty funny, but I've decided to put this series down. There isn't much that keeps me reading, really. For some reason, I had been hoping to gain more information, but after a while, I realized that...I don't actually care.

Michael Schmid says

Hat mir wieder richtig gut gefallen. Ich liebe einfach den Humor und so viele der Charaktere xD Auch Infos

The series is really great so far! The author does a great job of making things serious, while adding a bit of humor to it all. Tsubaki isn't just a villain who tries to destroy the main characters, he's a lot more than that! He can be really funny at times. I'm looking forward to his character development. The book uses it's fair share of realistic, and unrealistic elements, which I like because its a really good mix! I'm ready for the next books!

2.5. The writer needs to explain more. The art isn't carrying the information to make the story make sense. Needs more dialogue--more tell.
