Spirit Lifter Debra Glass

An Ellora's Cave *Naughty Nooners* story.

After his girlfriend leaves him, Reed Severin is depressed, unwilling to lose his heart again...until he rescues a beautiful woman from the massive Tennessee River. Despite whispers of danger, Reed loses himself in Cora's willing body, exploring erotic passion unlike anything he's ever known - until Cora inexplicably vanishes.

Reed soon discovers his newfound lover is a ghost, an ethereal beauty who's seeking justice for her untimely death. And perhaps one last taste of the pleasures of the flesh.

Meet Reed's spirit-ensnaring stepsisters and more sexy ghosts from the south in the Phantom Lovers books - *Gatekeeper*, *Shadowkeeper* and *Watchkeeper*.

Spirit Lifter by Debra Glass

A ghost, a little rebound sex on a boat and a bit of mystery turned into to an enjoyable story that was well written.

Elaine says

Didn't like the ending.

Rustye says

Very short, enjoyable, wish it had been full length because I enjoy Debra Glass's books. Reed in this story is the step brother to Amy in the book, Shadowkeeper.

Heather says

This book could have easily been drawn out more. The ending made you hanging

Caro says

This was an ok freebie. I liked the characters and the basics of the story line. I was a little disappointed in the ending and the depth of the actual encounter. This was more of like a scene, with a basic recap of the results. There were some emotions, and that helped, but not much to fill my HEA cup. I would like to read the other books in this series, just to see what happened with the others though. Overall pretty good, but didn't really get me severely interested or invested. Good for passing time or something to read in one sitting. Good Luck

Is this the ultimate wet dream or is it just your everyday paranormal erotic encounter? Reed Serverin has just broken up with his girlfriend Lane. She walked out of their relationship in frustration over his lack of openness. To recover from the depression that has been haunting him, he decides to take his yacht out for a lake cruise. His only companion on this voyage of redemption and recovery is his three legged dog, Tripod. On their return trip they saw something struggling in the water. That proved to be Cora, a desperate victim that is in a hurry to win her race against time. This is a remarkable story. Its noteworthiness stems from the

fact that it can leave such a deep impression in so few words. Few can doubt that this tale was primarily written as a quick erotic fantasy but somehow it grows in stature and implied mystery. If you are looking for a quickie to help you digest your lunch or sweeten your dreams at night, try this book. It couldn't have been more aptly named...

Mya says

I thought it was nice would have love an epilogue.

Ryan says

An erotic encounter with a ghost leads to solving a case of mistaken suicide.

german review

Eine interessante und erotische Kurzgeschichte mit paranormalen Elementen, was eigentlich sonst nicht unbedingt mein Fall ist, aber in dieser Geschichte hat es sehr kurz gepasst. Die Geschichte bietet neben zwei Liebesszenen, auch noch ein bisschen mehr, auch wenn es mir lieber gewesen, wenn die beiden Hauptpersonen nicht so mir nichts dir nichts im Bett gelandet werden. Aber im Vergleich zu anderen erotischen Kurzgeschichten ist "Spirit Lifter" schon fast tiefgründig. ;-) Auch wenn das Ende überhaupt nicht meinem persönlichen Geschmack entspricht, so hebt es sich doch von anderen Short Stories ab. Ich würde die Geschichte nicht noch einmal lesen, aber sie ist besser als die meisten anderen anderen Geschichten bei Amazon!

KyBunnies says

I really liked the plot of this book. I wish the book was a novel instead of a short story. I hope the author has wrote some novels. This was a free book in the Kindle store.

Terri Pray says

Quick, cute, sensual read.

Beckey says

Reed is depressed after his girlfriend leaves him. He takes a trip down the river on his boat and discovers the ghost (sorry for the spoiler which he doesn't discover til later in the short story) of a woman that was murdered. Can Reed help this ghost move on?

Kelli Scott says

Haunting and beautiful and erotic.
