Angela Randall says

Available in public domain here: <http://www.gutenberg.org/etext/24727>

Mackenzie says

Good but really really dry. There wasn't a whole lot of spontaneous reading with this one - hmm, maybe Montessori would say my brain didn't really need it then :-)

Solady Batterjee says

Enriching the environment is a vital part of the educational process.
A rich environment allows the child to " Thus makes progress in his own perfection".

Momma says

Definitely dry reading, but worth it. Very good insight into how our children learn and how to present learning opportunities to them.

Eliezer Sneiderman says

Montessori has some insights. but she relays a lot of crazy material that hurts her case
