Star-Crossed Belle Aurora

A modern take on Romeo and Juliet

Release date TBA...

From the day I was born, there have been things instilled in me.

One. Respect the family.

Two. Do anything for the family.

Our way of life is that which benefits the family as a whole, so...

Three. No decisions ever made with selfish intentions.

I guess that's how I got into this mess.

I didn't follow the rules.

I smile to myself. He's worth it.

Fuck the family.
