Yakitate!! Japan, Volume 4 Takashi Hashiguchi

The Pantasia Rookie Tournament is in full swing with Kazuma going up against a daunting opponent in every respect--Tsukino's half-sister Mizuno and rival for control of the entire Pantasia chain! Mizuno is ready to knock Kazuma out of the ring with her super-tasty-- and super-expensive to make--patented melon bread. Can Kazuma compete against this high-class recipe with a can of regular old melon juice? Plus, some exciting side information on the origins of Ken Matsuhiro, the afro-sporting manager of the Pantasia South Branch!

Bread for the volume: the green turtle bread and the crab bread.

Cherish says

GET IN AZUUUMMAAA! GET IN! I can't wait to read the next volume!

Sulhan Habibi says

3,5/5

Lezatnya roti melon sampai bikin kayak. Hahahaha...

Mie di sini bikin lapar.

Kayla Eklund says

I really didn't like the bonus stories in the beginning of this. They were stupid, and took up 50 pages. However, I did enjoy how this ended in color. It makes me hope that the beginning of volume 5 will be in color as well.

If your idea of a good time is cuddling up with a warm, delectable confection rather than a warm body, *Yakitate!! Japan, Volume 4* is just the manga for you. Not only will it leave you more satisfied, but it will also provide one helluva frolicking good time. You *will* drool, your sides will ache from laughter, and it will leave you craving more.

This fourth volume continues with the melon pan challenge. I *luuuuuurve* melon pan. After reading how difficult the process is I have an even deeper appreciation for this scrumptious treat. I have always loved the over-the-top responses the characters have when they taste the baked goods, but Kuroyanagi takes it to a whole other level.

In the next challenge, Azuma faces off against S.H. Hokou to see who can make the better Yakisoba bread. To help Azuma and Kawachi with this task, Matsushiro enlists the help of his friend, Ryu Romen, a high-strung, martial-artist, noodle-master.

Azuma's creativity is always impressive, but Kawachi's die-hard dedication is turning him into a force to be reckoned with. These two are the perfect balance of the yin and yang, which makes them a terrific and hilarious team.

At the end of the volume, the teams receive yet another challenge. This time the teams are faced with the difficult task of knitting bread, which just happens to be the Koala's forte. When the Koala's true identity is revealed, everyone fears the challenges is lost. But leave it up to Azuma to come up with a unique solution.

The comedy in this series is freakin' ridiculous. It's just what I need to escape the stress of life. I love the short story, "Takitate! Go-Han," and wish that it would become its own series. This is such a fun manga that doesn't take itself seriously and just makes me really happy. With all of its carby goodness and hilarious moments, this series will always hold a special place in my heart.

Re-read

Ceritanya sudah serius sih walaupun reaksi-reaksinya makin kocak.
Ada 1 atau 2 chapter yang terlewat ketika membaca ini dalam bentuk kompilasi Shounen, dulu.

Diana Thomsen says

I think I'm officially calling this my second favorite manga. Love this!
