In book six of the Masters of the Prairie Winds Club: Cameron Barnes, owner and Dom of Dark Desires, enlists the help of his friends from Prairie Winds Club when his family becomes the focus of an unknown threat. A threat he feels can only be associated with his past position as an operative.

When Carl Phillips shows up as part of the security detail for Cam's wife and daughter, Cam is confronted with a past regret—one that has haunted him every day for the last twenty-five years.

Carl Phillip has never turned down a mission, but he sure wishes he could. Instead, being a team member, he pulls on his professionalism and reins in his haunting past—at least until he is sitting in front of it. Then all bets are off.

As the threat against Dr. Cecelia Barnes grows near, the men of Prairie Winds step in to help and do what they do best—locate, secure, and extinguish.

Enter Dark Desires, where past regrets will either bring a Dom to his knees or forge a future where love, life, and family is worth every heartache felt.

Not disappointed

While this is the first of Avery's books that I have read that is a mmf, she did not disappoint. I have read all of this series, her Shadowdance and Isola series as well. Her menage stories are some of the best I have read.

Cam and Carl's past was one I did not expect, but it played out perfectly. With Cam and CeCelia already married I was wondering how it would all work together. It does. My only complaint is that we didn't get to see how the collaring ceremony goes....but I have no doubt that we will see it in an upcoming book.

Kimberly Crysel says

I enjoyed this book and the way that Avery Gale told this story. Avery can definitely get me to laughing with the antics of CeCe and Tobi. My only problem with this book is that I did find quite a few errors, typos, wrong names in the wrong places. I have read everyone of Masters of the Prairie Winds and have enjoyed the series.

Samantha's books

This book just stepped up the drama a whole bunch. It's always gets better with every book. I can't wait to read the next in the series.

Rebecca Warner says

Another hot book from Avery Gale.

Lily West and most of the crew at Prairie Winds' enjoyed a holiday in this book. Cameron Barnes and his beautiful wife have problems that the Prairie Winds military squad is called upon to handle. Cam is trying to make some life changes and someone wants to kill his wife and submissive. Read along as the action gets hot in Austin, burns hotter in New York, before exploding in St Maarten. Love the book Avery Gale, please keep writing.

Ellen Shannon says

I really enjoyed the interactions between all the characters. It was fun to see other characters come back in this story.

Cam is a Master who owns Dark Desires. He has his wife and submissive, CeCe and child who he loves but he is missing something. After receiving a threat on his wife, he asks his friends to help him. Assigned to his case is a former lover, Carl. Carl is asked to watch over CeCe and give her a chance to experience a ménage. Cam is going to shake up their lives in order for all of them to live happily ever after. After they take care of the threat, of course.
