## Kyle XY: Nowhere to Hide S.G. Wilkens

Most things remain a mystery to Kyle -- his past, his missing belly button, his connection to the creepy neighborhood patrolman, But one thing has always been certain: he likes Amanda Bloom. So when she needs help planning the annual Halloween party, Kyle jumps at the chance to spend time with er. After a strange run-in with Tom Foss, Kyle becomes convinced he's uncovered the key to his past. Can he avert Foss long enough to solve the puzzle?

**Ákínlàbí Àdèólá says**

amazing book really,a must read.

---

**EMP says**

I never saw this TV show, so I didn't know what to expect. Quick read. A teenager would probably really enjoy it.

---

**Alison James says**

it was ok

---

**Ray (user2637) says**

Love books that continue tv shows I also love. :)

---

**Yaoifan365 says**

I watched this TV series, and was really excited that there was a book to go along with it! I was thoroughly enjoyed!
