**Tashi and the Haunted House** Anna Fienberg , Barbara Fienberg , Kim Gamble (Illustrator)

No one has set foot in the haunted house for years, but there's a light in the window, and Tashi is going in... What will Tashi do when two mysterious strangers want to race him around the village? It takes more than ghosts or demons to scare Tashi.

## **From Reader Review Tashi and the Haunted House for online ebook**

### **Mikayla B says**

Very good book for 7-11 yrs and takes you on an amazing and breathtaking adventure.

---

### **Sean Harding says**

Can there be such a thing as too much Tasha? The fourth Tasha of the day as the spree of Tasha goodness goes on - and this time a haunted house features in one of the two tales. Good fun as usual as Tashi wins us over all over again. More?

---

### **Neville Ridley-smith says**

Can't say I'm a big fan of Tashi...

---

### **Brianna says**

This is the sort of book i think that you could read if you wanted to tell scary stories at a sleep over. Other wise it is a really good book and others should read it to.

---

### **Reagan says**

The haunted house that Tashi visited was really really spooky" whooooo".
