From Reader Review The Prodigal God: Finding Your Place at the Table, Discussion Guide for online ebook

Elliothd says

I liked the book more than the discussion DVD.

Lisa Dethloff says

This book does a mind-blowing and life-changing analysis of the parable The Prodigal Son. Read the book and watch the 1st video! Great great great read.

Anil says

A new and powerful perspective on the Prodigal Son Story.

Leigh Ann says

Did not find the discussion guide helpful or an worthwhile addition to the wonderful book it went along with.

Ann says

One of my all-time favourite books. It's had a profound impact not just on my life but on ministry as well.

Johnny Mcclean says

This video and discussion guide are very well done. Great for students, non-Christians, or people jaded by religion. After watching this video one of our students said 'now I know what is so amazing about the gospel'.

Alice says

Good study guide; somewhat repetitive.

Christy Williams says

too simple

Justin Shockley says

ANOTHER MUST BUY IT WIL CHANGE YOUR LIFE AND MIND (i hope :))

Jamie Pennington says

Great book and great discussion guide that accompanies it.

Drgiv says

Since there were so many blank pages, it would have been nice to make the guide the same size as the book. The questions were okay but they required constant referral back to passages in the book.

Wendy says

The actual book was great and the discussion guide was a nice companion piece. I wish it would have included page references to the paperback version in addition to the hard cover version. Also, it was divided into 6 "session" while the book had 7 chapters. I think it would have made more sense to have the sessions mirror the chapters or vice versa.
