Sergei and Bianca's short story.

Here we find Bianca and Sergei finalizing names for their twins (boy and girl). The first moments of parenthood for the both of them. Love flowed all through them and in that hospital room, As Bianca nursed their son (Bradshaw Alexander Sahkarov aka Sasha) and Sergei dressed their daughter in a onesie (Isabella Irina Sahkarov aka Bella) he experienced more love in that room than he has in his whole life. Sergei finally has his own family and Bianca has the man of her dreams and their children.

Well Until My Next Review Ciao Bellas!

This was fairly short read but still enjoyable to read. The children's, the twins last names were hard to pronounce and Isabella is a beautiful name though. Married couple Sergei and Bianca, have twins and is still in love. I admire how their love is stronger than ever and will last a lifetime. This is a beautiful, heartwarming read about love, family and marriage. I loved reading it and can't wait to read more from this author.

I received a free copy exchange for a honest review from instafreebie.

4 Stars:

It was wonderful getting a sneak peek of the naming of the twins and Sergei trying to snap the tiny buttons of his daughter's sleeper with his giant hands. lol, love it!

Among some of my favorites. Outstanding literary work. The characters are well developed, interesting. The liked characters are likable and the hated are unlikable. The writing is captivating enough to keep you interested until the end and leave you wanting more. It has a fairly original or uniquely well-developed plot. The pretense and romance was well balanced and done with properly distributed amounts of hints, behaviors and chemistry. Not so much predictable if at all. *Overall, loved it, I recommend reading!!*

An enjoyable short little one.

Now that I'm in a better mental place, I can deal with the babies of the Russian Protector world.

I liked the names.

I liked seeing Sergei struggle with the little snaps of the baby onesie.

All in all, I enjoyed it and can't wait for the next book.

Super sweet short story of Sergei and Bianca naming their twins. I love Sergei. He's such a big softie. I love imagining everyone's kids growing up together.

Shelley Chastagner says

An intimate moment that takes place after Sergei 2 is done. Bianca and Sergei are in the hospital with their newborn twins discussing what to name them. This was the cherry on top of their story.

Highly recommended author and series

Still awaiting Kostya's story in the Russian Protector series!

A cute little read of the naming ceremony of the twins. Welcome Sasha and Belle. I hope we get a story with all the kids hanging out and maybe a spin off with them.
