### **Ido says**

Stop it.

I did not know Marvell could be so bad with Spider-Man.

I knew about Venom (which could be said to be related to Spider-Man, because he's connected to Spider-Man) but I did not know about Spider-Man.

Again everything is superfluous except for the last whip that will probably be ignored later on.

### **Kelli says**

Parker's an asshole and 98% of the comic is just him making awful jokes and mocking people's religions to their face. No thanks.

### **Hopskotch says**

Not sure where to put this, but this and issue 1.1 are written by JOSE Molina.
