For Girls Like You: A Devotional for Tweens Wynter Pitts

Tween girls have access to an unbelievable amount of media and information with just a simple click of the remote or mouse. Every outlet they turn to attempts to subtly influence their worldview...and what they believe about themselves directly affects how they live.

Wynter Pitts, founder of For Girls Like You magazine, gives girls a new devotional showing them a correct definition of themselves, opening their eyes to God's truth and the difference it makes in their lives. Each daily devotion includes a prayer to help girls apply the lesson.

Excellent book. We do this at night , Hannah and I. I get just as much from this devotional as Hannah does. Highly recommend for a Tween girl quiet time, go read with her ! You will love it too !

Sat down with my 10-year-old almost every night to read through this book together. The short chapters are great for right before bedtime hopefully leaving my daughter with some food for thought. Nice resource for how girls can be making Godly choices and being a light to others.

I am so excited to find this resource for tween girls! I love how it's friendly, real, short, practical, prayer-filled, and biblical. What an encouraging devotional for our young girls---full of wisdom and grace----to help support and guide them through these often challenging years. Highly recommended.

This is a wonderful resource for any tween girl, ages 10 - 12 or so. Each daily devotion is a page and a half long, easy to read and right on for the things they face today. Not edgy or over the top in any way but applicable really to anyone. Each day has a devotion, a short prayer and here and there are steps to practically apply one day's topic or a related activity to try. There's no pictures but there are cute little doodles, and there is some color used throughout. I am very impressed with this and my daughter is excited to read it.

I received this book from Harvest House for the purpose of an honest review. My opinion is my own. Thank you Harvest House.
