Courtney says

So wonderful. ??

Christina says

Finished the arc.

MerryMeerkat says

3.5 Stars, Borrow it

This is a very confusing issue for me. The girls are forced to play games by Zeus and as usual are in trouble. Not a lot of funny stuff, just rather predictable. So so issue for me. I'm hoping the next story arc is a bit better.

Megan Murphy says

Friendship to the Max!

Marta L says

Sara (A Gingerly Review) says

Enjoyable... But Zeus as a... Goose? I missed that story.

Lol I love how zeus kept presenting as lame animals.

Rachel says

I loved this issue! Great resolution to the story and wonderful focus on the themes of teamwork and friendship. These girls always brighten my day.

solène ? says

Zeus : [Artemis], it seems like just a millennia ago you were toddling around killing boars with your first bow and arrows...

Carlos De Eguiluz says

¿Lo mejor de este tomo? Zeus. Lo siento, pero así es la vida. Lidia con ello.

Hayley Williamson says

Lol, I loved the Zeus as a swan/goose pun, since he was a swan when he impregnated Leda.

Corey says

Maybe I'm behind on my greek mythology...but why is Zeus...a goose?

Brittany says

So glad to see Diane really start finding her place and making true friends. <3
