Hilarious.
This time they are in music class.

Nam says

I only rated this 4 stars because although I loved the story, I did not like how the kids didn't get a chance to say goodbye.

We started reading the books in the My Weird School series by Dan Gutman and Jim Paillot together during storytime, but our oldest started reading ahead into the series on her own and our youngest seemed to lose interest. So now, I am just reading to catch up with our oldest.

This is a fun story about school, focusing on music class and the class play. The stories in this series have a lot of the classic songs, rhymes and schoolyard language that I remember from my days in school as well as some of the new lingo, too (ie, criss cross applesauce.) Some of it is harmless and some of it makes me cringe; but for the most part, I know our girls have already heard them. I had to chuckle when I read about A.J.'s friends chanting, "*A.J. and Andrea sitting in a tree. K-I-S-S-I-N-G...*" The story is short, funny and offers an entertaining, if highly unrealistic look at life in second grade.

Shygirl says

This is a book about a boy in his teacher. His new music substitute is a rap teacher. He is not famous yet but

that is why he is substituting in the school ,so he can start being famous. The boys name is A.J. His new teacher made a play and A.J has to kiss this girl name Andrea who he hates. He says that andrea thinks is perfect she does not like the new teacher because she dontest like his music. His music is like rap and hip hop. A.J told his teacher and he said to pretend she is his favorite thing. so he did it was a dirt bike. When it was time for the BIG kiss they both could'nt do it. So they made up some lines to not kiss. Then they all went home. They all saw there teacher on american idol. The next school day the teacher was not there because he was finally famous and he could not work at the school no more. Everybody was sad because they had to get there old boring teacher Boring Mr.Loring.

Taliahshaw says

Gail says

Kids thought the raps were funny.

Helen says

Funny, and the kids enjoyed it, but the teacher in me wants to take exception to someone who is only teaching until a 'better gig' comes along.

Alex96 says

speak about a strange teacher in a school. Before the 2 grade had a teacher very boring, in fact she is called Ms. Loring is boring. Then a day ms. Loring doesn't come to school, and how supply teacher come Mr. Hynde, the music teacher. Mr. Hynde is out of his mind.

Claudia says

When I work at Madison ELementary Library on Mondays, I see stacks of books from this series, each with a silly, rhyming title. I process them and get them back on the shelves as quickly as I can. So, I took one home to find out what the fuss is all about.

Ella Mentry School's music teacher, Mr. Loring is sooo boring, and AJ hates music class. The girls love it and can't wait to get to class...until Mr Hynds takes over. He raps, he makes everything in the room a percussion instrument. He break dances. The boys are intrigued. The girls are disgusted.

Pretty pointless plot, but clever observations about kids and the inside of their minds. Humorous, gentle fun is poked at the teachers of Ella Mentry School. And everyone learns a lesson, mostly Mr. Hynde.

A fun little book, easy to read, relate-able characters, fast paced. I see why kids like it. I'll be sure to get it back on the shelf tomorrow.

Sebastian Perez says

weird teachers gone weirder a teacher trying to be a teenager. LOL

Jairoluque says

En primero de un profesor en una escuela Antes de que tuviese un profesor muy aburrido, de hecho se llama Sra. Loring es aburrido. Entonces un día ms. Loring no viene a la escuela, y cómo viene el maestro de suministros Sr. Hynde, el maestro de música. El Sr. Hynde está fuera de sí

Edward Creter says

Number six has an old dogg teach new tricks, particularly if the said teacher is into Snoop Dogg, or whatever new animal he goes by! AJ and crew meet Mr. Hynde, the substitute music teacher, only he doesn't necessarily teach music as brings on the noise. To Mr. Hynde, the old school shit is out, and the new shit must take its place. Excusez-moy, but I was brought up on Barry Manilow and soft rock from the 80s. I'm quite comfy with old school! I would never suffer MY children education through rap appreciation! LL Cool J? DMX? That's for suckers who think there's deeper meaning in stuff that demoralizes women and men, black and white. One girl seems to share my opinion, even if principal Klutz does not! Klutz slides on his butts! He's breakdancing! WHAT! THEN Mr. Hynde goes to American Idol to perform Annie's Tomorrow song. Could it be the girl who sings it during a play version of Beauty and the Beast inspired him? It MUST be a hard knock life. For US! This shit is a trip! It just DON'T MAKE SENSE! (To quote Johnny Cochran's cartoon copy in South Park.) I may read number seven. MAY BE!

Alex says

A.J. is getting a new music teacher to replace "Boring Snoring Mr. Loring." But on the next day of school, a rapper is in his music room! They do a play of beauty and the beast, and A.J. has to kiss Andrea!!!!
