Terror Squad Warren Murphy , Richard Sapir

A wave of global terrorism spreads as a result of one madman's tyrannical powers. Even while the governments of three major world powers are on his trail, CURE, the United States' top secret agency, knows of only one way to solve the problem - The Destroyer. There's little doubt that Master Chiun's protg Remo Williams is capable of waging any war, but when the mysterious radical assassin is out to kill, everyone runs for cover - except the fearless and most powerful.

Nso says

As expected with the series.

Stelios says

2 1/2 stars.

A really fun outing for Remo and Chiun. Terrorism is occurring at an alarming rate by groups instead of by countries. These groups seem to have received partial training: the question becomes "Who is training them?" Enter Remo and Chiun, who are led, after taking care of a highjacking over L.A., to a New York college where a pretty (what else?) co-ed with revolution on her mind seems to be the key. What was really nice about this entry in "The Destroyer" series was that, having read other entries, I knew what was actually going on and who/what the real enemy was. Lots of action, lots of Remo one liners, and lots of entertainment. The book is only 188 pages long and goes very quickly!

"Δ?κτυο τρομοκρατ?ας", εκδ?σεις ΒΙΠΕΡ.

Δ?κατο βιβλ?ο της σειρ?ς Ο Εξολοθρευτ?ς, ?βδομο που διαβ?ζω εγ?. Πως ?χει η ιστορ?α: Υπ?ρχει ?να διεθν?ς δ?κτυο τρομοκρατ?ας, το οπο?ο δεν βλ?πει σ?νορα και δεν αποτελε?ται απ? μια συγκεκριμ?νη ομ?δα ανθρ?πων, οπ?τε μπορε? να γ?νει ιδια?τερα επικ?νδυνο για τις μεγ?λες δυν?μεις, οι οπο?ες σε λ?γο καιρ? δεν θα μπορο?ν να το αντιμετωπ?σουν, γιατ? δεν θα ξ?ρουν τι ν'αντιμετωπ?σουν. ?τσι, καλε?ται η μυστικ? κυβερνητικ? οργ?νωση CURE να αναλ?βει δρ?ση. Φυσικ?, αυτο? που θα φ?ρουν εις π?ρας την αποστολ?, δεν ε?ναι ?λλοι απ? τον Ρ?μο Ου?λιαμς και τον Κορε?τη δ?σκαλο του Σιναντζο?, Τσιουν. Αυτ? ?μως που δεν ξ?ρουν οι Ρ?μο και Τσιουν ε?ναι το ποιος βρ?σκεται π?σω απ? το δ?κτυο αυτ? και ποιος ε?ναι πραγματικ? ο στ?χος του αρχηγο? του δικτ?ου...

Το βιβλ?ο ε?ναι ακριβ?ς στο ?διο επ?πεδο με τα ?λλα που ?χω διαβ?σει, δηλαδ? καλ? και διασκεδαστικ?, με μπ?λικες σκην?ς γραφικ?ς β?ας και καλ? χιο?μορ. Εννοε?ται πως παραμ?νει ?να παλπ περιπετει?δες αν?γνωσμα που δεν ?χει ιδια?τερες απαιτ?σεις απ? το μυαλ? του αναγν?στη. ?τι πρ?πει για μια σ?ντομη και ευχ?ριστη αν?γνωση.

I have been reading this series all in a row, and I must say I didn't really enjoy this one as much as the rest. Mainly because of how it started.

My Rating Scale:

1 Star - Horrible book, It was so bad I stopped reading it. I have not read the whole book and wont
2 Star - Bad book, I forced myself to finish it and do NOT recommend. I can't believe I read it once
3 Star - Average book, Was entertaining but nothing special. No plans to ever re-read
4 Star - Good Book, Was a really good book and I would recommend. I am Likely to re-read this book
5 Star - GREAT book, A great story and well written. I can't wait for the next book. I Will Re-Read this one or more times.

Times Read: 1

One of the first series I read consistently. This series and the Executioner series are responsible for my love of reading and stories.

Characters - Looking back to my younger reading days, I loved Remo Williams and thought he was one of the coolest characters in history. I still think Remo is a good character. Unique in a number of ways even today.

Story - The stories are average and fairly typical. Bad guys going to kill or hurt, Remo is going to kill them first (no way he is going to die not with Chuin as his teacher). Not much in creativity but it really worked for me as a male teenager. I started learning Judo and Karate partly because of Remo.

Overall - I started reading these when I was 16. I enjoyed them up until about age 19. My tastes changed from Military intrigue to Fantasy / SciFi. I would recommend reading these especially for younger males.

NOTE: I am going to rate these all the books in this series the same. Some of the stories are a bit better or a bit worse but I can't find one that I would rate a 2 or 4.

Enjoyable pulp fare. Actually picked it up at a book swap and had no idea it was a Remo Williams novel. I recall the movie from when I was young, but didn't know it was based on a huge set of novels. Dated, but cool. This was action in pulp novels in the 1970's and it's great. Gonna hunt down some more and start working through the series if I can.

Nuihc, #2

Chiun's nephew, Nuihc, returns and plots a super terrorist group to draw out Remo and Chiun so that he can destroy them.

Great book. This one has everything that makes the Destroyer series the best. Good story, action, humor, and it's fun to read.

Favorite tidbits: Remo plays Truth or Consequences with terrorists on a plane. Tell the truth or the consequence is being thrown out. Chiun flicks off the antennas and mirrors of passing cars when he is angry at Remo.

Warning, sex and graphic gory violence.

Michael Fortenberry says

average for the series.

Timothy Boyd says

One of the big men's adventure series from the 70's than ran an impressive 145 books. The series while an adventure/action story is also full of satire toward much of the mainstream fads and icons of the time. An interesting main character and the sarcastic mentor makes this a funny action/adventure read. This book chronicles the 2nd meeting with the renegade master of Sinanju, Nuihc. Recommended

Joshua says

Nuihc appears again in this story. He is a chilling villain. Thumbs up!

Rob says

These are my Chiun books, The Master of Sinanju says read them and learn why Sinanju is the Sun.

Frank says

I read this hack series faithfully for years. Now I hear a movie (another move) is in the works. Not a bad read, And emojis a sympath tic character
