Anna Butler says

I only read As a man thinketh but they didn't have it separate here. This sounds good though I need to read the other's in this set

Fernando Fernandes says

Some years ago when I played soccer for a living I had moments of weakness and low self-belief. I remember I came across this book totally by chance in a road trip to Rochester, NY. It was destiny! Which is funny because that is one of the central themes in the book: 1. You are the shaper of your own destiny. 2. Fear is your worst enemy. 3. Your thoughts shape your life. "The wisdom of James Allen" was always my "go to book" when things were not going well on the soccer field or whenever I needed enlightenment or clarity of thought. There many ideas in this book that today I do not subscribe to. However, this book is an easy read and a great book for anyone in search of a "confidence booster" or a reason "to get off the couch" and shape his own destiny.

MUHUMUZA PIUS says

Every insightful and enlightening especially on the untold aspects of living and humanity.

LeeAnn Taylor says

This author is amazing! He was way ahead of his time - and definitely enlightened. There are so many powerful concepts put so eloquently, I felt like it was food for the soul!

Yes Sir! says

I READ THIS BOOK WHEN I WAS AT MY LOWEST.
THIS BOOK WAS SO POWERFUL TO ME THAT I READ IT AGAIN IMMEDIATELY.
IT HELPED ME TO UNDERSTAND THAT I NEED TO TAKE RESPONSIBILITY FOR WHAT
HAPPENS IN MY LIFE.
MY CIRCUMSTANCES ARE A DIRECT RESULT OF MY THOUGHTS!!!!
I HAVE GIVEN THIS BOOK TO ALL MY FRIENDS!!!
~MaRi

Bacardi says

Wisdom you can apply everyday. Excellent reminders about the power of your mind. I keep posted Allen's 7 Rules to Train the Will: (1) Break off bad habits, (2) Form good habits; (3) Give scrupulous attention to the duty of the present moment, (4) Do vigourously and at once whatever has to be done, (5) Live by the rule, (6) Control the tongue, (7) Control the mind.

A good resource book to keep close and to keep re-reading.
