K.R. Bankston says

First of all this was by far one of the more entertaining shorts I've read in a long time. Author Aleta Williams did an excellent job of drawing one inside the words on the page. Now with that out of the way, lets talk about these characters. To say Popsicle, Mrs. Wright, and Alexis, were heinous would be an understatement. These chicks put ratchet to shame. I had no sympathy at all for any of them and actually cheered at their misfortune and misery. Horrible people who should have never been born. Mr. Wright I found humorous for some reason, but all in all a nice guy. Candy and Donte were good people put in very bad situations, but found a way to still preserver. Monica, Monica, Monica; this child had been taken through the ringer for real, yet she managed, finally, to get her life back on the right track. I'm sure would find the ending a bit fairytale like, BUT, the world is cold enough that a small bit of fantasy never hurts. Kudo's on a job well done!

This was a good short read,It had a lot of drama from the beginning to the end.That Popsicle was something else,Just when u think there will be a happy ending something else happens,Can't wait to read part 2.Great Job Aleta

This book had my emotions all over the place.

Mirrlees says

Excellent read lived this short story. Donte saved the day. Happily ever after, or is it not so. Well miracle seems to be not having any miracles so let's see what will take place in part 2.

Robin Perryman says

Why?

It was okay. Sounds like a testimony from rehab though. I'm glad it was a shortie It was getting cold and I feel like Why Me and Why Her could have been one. I see they're connected so I'm about to get into Why Her since I already got it. Hope it gets better. Only got this because I was all into Salty. This is nothing like it. Note to author: need more of the Salty series. That was hot, this was not.

Good short read. Some of the story wasn't as developed as I would have liked it to be, but as a short story, this worked well from beginning to end.

Gina Harris says

This was a really great short story! It was full of drama, chaos, backstabbing,.....it was awesome!!

Felicia Peterson says

What happen to having a mothers love wonders Monica. Monica is a young girl who has dreams of becoming a fashion designer. Living as the ideal teenager she has a boyfriend but life is finna change. Popsicle has so much hate in her heart that she feels its time for her daughter to pay her dues.She will stop at nothing to get her payback.

This book here is drama filled. For it to be a short story I was very pleased with it. I was so mad with these characters I couldn't put it down until the end,please check out this banger now!!!!

Claudia says

This short story of the life of this unfortunate young lady wasn't a shock but entertaining. But cut short by the

author of lack of character development and telling of a story which left room for plenty of food for thought. For me I didn't feel the pain of any of the characters or picturing the scenes as I read on to find the happy ending to be a part two. Of drama that was given to the reader's as a rough draft of emotions that wasn't completely developed due to poor editing.

Lisa G says

This is my 1st book by this author but won't be my last. This book was so good with drama from the beginning to the end. I can't wait for the next one.

Reese says

One of the best short stories I ever read!!! How can mother hate her child so much over a man? Popsicle is a sad excuse for a mother, she took monica through hell just because she didn't want her to be happy. Monica found Donte, them two completed each other, until lies from both side of there families torn them apart. But like they say....If u love something, you have to let it go. If it comes back then it was meant to be!!! Can't wait for or 2

This was such a mess....Popsicle hated her daughter Monica so badly she had her turned out of Heroin, who does that? I'm just smh on this read...I'm looking 4ward 2 the next installment even tho I felt like the ending was rushed it does give a lil drama 2 look 4ward 2.
