"You will know it's time to turn the page when you hear this sound ..."

Kara Laidig says

This would be a great book for middle elementary students. It is a story about Merida who doesn't like all the rules to being a princess. Her mother is trying to marry her off but Merida doesn't like that idea. Out of pride, she turns her mother into a bear and must figure out how to fix this. Its has a great lesson in it.
