Now content in his life, Sean receives unexpected word that his father has finally reemerged, on the other side of the country in Pawleys Island, South Carolina. . .as a murder victim. At the wishes of his sister, Sean flies out to retrieve the body, and hopefully find answers to why his father left, and the life he went on to lead. **Jeff says**

**Good Read**

Started out a bit slow for me. But about midway the speed and action of the story picked up! From that point on it was a good fun read.

---

**Laura says**

This is a page turner!! So many twists and turns you're constantly guessing and anticipating what will come next! Loved this book!

---

**Wendy Bolin says**

Best one yet!

---

**Gregory Leslie says**

**Great ending to a marvelous series of 3 Sean Coleman stories.**

Daly broke the mold for his lead character in these terrific stories. He is more relatable than most heroic tough guy types used by many novelists. More real and believable. We have all met a Sean Coleman in our life, even if just one time in the local bar.

---

**Marti Schmauss says**

**Action packed!**

This book took off fast and kept on going with interesting characters and many twists and turns. Sean Coleman is a flawed good guy you can't help rooting for.

---

**Patsy Like says**

Hope Daly writes another Sean Coleman thriller. The main character is indeed a character. I like all of

characters in his books. After The 1st in the series, I immediately got the other 2.
