## **COFFEE AND CREAM: A CINCINNATI LOVE STORY** Tirzah Lee

Growing up for Cream wasn't easy. For as long as she can remember its just been Cream and Jackie. Bouncing from city to city with her mom was hard. She had to leave friends behind and move on with her life.

Jackie is hiding a secret from Cream that may or may not cause harm to her family. Once Jackie back is against the way she has no choice but to tell the truth. The Finally settle in Cincinnati, Ohio and her life changes for the better.. Or worst. She meets and fall in love with Coffee, but does Coffee have what it take to keep Cream in Cincinnati?

Coffee was the man in the streets. Even at a young age he was a boss. But Coffee has always had a problem with "keeping it in his pants". Now that he has Cream will he change his ways or lose her forever?

## **From Reader Review COFFEE AND CREAM: A CINCINNATI LOVE STORY for online ebook**

**Adrienne Richards says**

**Wish I can find the part 2 to this book**

Love the twist and turns very good wish it didn't end so fast. Next time you should title the 2 part of the book so we know what to be looking for .

---

**Tiffany Mack says**

O hell mf no.....I know damn well this book just didn't end like this? I hope there is a part 2 because this book was good. I couldn't stop reading it for nothing. This book made me want to kick ass lol. YOU MUST READ THIS NOW!"

---

**chatti says**

**Oh my goodness!!**

This book was really gd Jack went thru too much and I like Kareem but he doesn't deserve her... Cream is a great girl and Coffee doesn't deserve her either I read this book in 24 hrs

---

**The Library at Lilac Cottage says**

When the vulgar, base language starts as early as the second page, I know this is not the book for me. I abandoned this anon. I like the title; it is clever.

---

**Jovon meredith says**

**Really good**

Really good it had some errors that needed to be fixed but it defiantly was a can't put down book the drama is never ending and each character has there own set of problems definitely going to read part 2

---

**Taz Will says**

I thought this would be an okay read but the more I read the more I was disappointed. I'm over this one for

sure.

---

### **Carla Hamlin says**

#### **Good Read**

I truly enjoyed this book it was good from start to finish  
I look forward to reading more from this author

---

### **Carol says**

#### **Coffee And Cream**

This book was oh so good. There was lots of drama and excitement. Secrets were revealed and families were brought together again. Cynthia and her daughters were evil and jealous. Cassidy must've been kin to them because she had their wicked ways. Jeff let his feelings get involved with his bipolar self. I hope they all get what's coming to them for the havoc they caused in Jack and Cream's lives. I hope Coffee has changed his ways for the sake of his family.

---

### **Marci says**

#### **Oh my**

My goodness this was a really good read. I'm so upset about Cream. Those nasty heffas need to be handled with the quickness

---

### **Nadia Shelling says**

#### **Great read**

Great book I really enjoyed it !!!!!!!!!!!!!!!

---

### **Goodread says**

#### **Good read**

This book held my attention from page one to the very last page, I can say one thing Becca go get what coming to her BUTT

---

**KayBee's Bookshelf says**

love story?

Would you try another book from Tirzah Lee and/or Cee Scott?

I purchased 1 & 2 of this series so I can see how it ends.

Has Coffee and Cream turned you off from other books in this genre?

No, but it doesn't help the case either.

What didn't you like about Cee Scott's performance?

No variety. Voices all put you in the mind of backwoods, less than intelligent people. It was hard to reconcile that with the description (poor as it is) of the "bosses" that the listener is supposed to believe these characters were to be.

If this book were a movie would you go see it?

No

---

**Msdd says****Great Read!**

Although the proofreader should be fired (too many grammatical errors), the storyline was great. I am anxiously awaiting the continuation.

---

**Linda Strickland says**

An unexpected ending.

---

**Pamela Johnston Ward says****Coffee and Cream**

Cream had a hard life growing up with just her and her mom. Always moving from city to city. Things seem to be getting better when they finally move and settle in Cincinnati or so it seems. That's when Coffee gets added to the Cream. Coffee and Cream are supposed to go very well together, but in this case it doesn't hold true. Coffee seems to have a problem with the word faithful. Will he learn how to be faithful, or will this mixture have a bitter taste? You must read this book to find out if Coffee and Cream truly mix well together.
