Doodling is a great activity for parents to do with their children. Featuring over 50 unique doodling templates, family psychologist Dr. Jasmine Narayan's doodling book is shaped to make coloring side by side easier. Each spread features prompts for you and your child to doodle together and fill the scene. Work together to complete an underwater sea party, dinosaur family vacation, and so much more! The book also includes tips on how to best communicate with your child through coloring, the top 100 questions to generate thoughtful responses or engage your child, how to tailor your quality time so it's still fun, and more!
