## **Have Me** Jo Leigh

*Trading Card: Jake Donnelly* Occupation: Really, really sexy cop

Marry, Date or One-Night Stand: One night...and totally worth it!

His secret passion: For him to know, and you to find out

Warning: Zero commitment. This is a onenighter—and don't forget it!

Bottom Line: Hot and fun. You'll be very, very satisfied

Part socialite, part high-powered executive, Rebecca Thorpe isn't looking for Mr. Right. What she does want is Mr. Right-Here-Right-Now. So when she spots the trading card featuring police officer Jake Donnelly, she knows she's found the perfect guy....

Jake is *hot*, sexy as heck and completely different. More important, he's not looking for anything serious. But when a little sizzle turns scorching hot, Rebecca wonders if a tiny taste of this tempting cop will be enough. If she plays her cards right, maybe she can have more...and have him!

## From Reader Review Have Me for online ebook

### Suze says

Second of a series of three. Enjoyed reading this one better than the first - it flowed better throughout the story. I liked Jake - damaged but still sexy excop, complete with toolbelt! I think I liked that he wasn't perfect. Rebecca, the rich socialite running a charity, is the unlikely love interest. Good chemistry between them. I was really looking forward to the urban tourist bit, so will have to read about that separately! I hope the third book ties up some of the loose ends in the back story. Enjoyable part of series.

### Cris says

Em primeiro lugar, CADÊ O FINAL DO LIVRO??? Como assim, o livro termina na melhor parte? Tinha material ali para pelo menos mais 200 paginas, e a autora terminou no seco, sem um epilogozinho nem nada. Fui conferir no original pra ver se algum estagiário fominha não tinha devorado o fim do livro, mas não, termina igualzinho.

Voltando à vaca fria: O livro é ótimo! O mocinho Jake é uma coisa de gostoso que só vendo!! Ele é um ex-policia! aposentado, levou uns tiros e agora está reformando o banheiro na casa do pai, para que o velho possa usar sua cadeira de rodas sem esbarrar nas coisas. Ele e o pai, também policial moram juntos, e passam os dias provocando um ao outro.

Por causa da troca dos cartões do livro anterior, ele e Rebecca, uma socialite riquíssima, que dirige uma fundação de caridade acabam se conhecendo, e pretendem ter uma noite ótima e sem maiores consequências. Mas ela descobre depois da primeira noite que ele é tudo o que ela já ousou sonhar em um homem! Ou seja, um tipo para casar, ter filhos e consertar a pia da cozinha que vive vazando. Eu também queria um desses, mas parece que anda meio em falta no mercado...

Se você não se importar com a horrenda falta de final do livro, meu conselho é: LEIA CORRENDO!!! O livro é ótimo e o Jake vale muito à pena!

## **Christina says**

I was REALLY liking this book! Then we get to the last few pages and I'm like WTF?! Where is the rest of the book?!?! I felt cheated with the end since there really wasn't one, it was completely unresolved (at least in my opinion). The book was great, very "honeymoon phase", which I loved. Definitely worth a read if you don't mind being left with questions.

My Opinion:

The whole idea of having trading cards with sexy men on it is...well fantastic! My god, women all around the world would clamor to have them! How does Ms. Leigh come up with this stuff? Extraordinary.

I got into the It's Trading Men series when I read the third book for review with the review company, Night Owl Reviews. I absolutely loved it, so I asked for the second (thinking it was the first, but obviously not) book as well. Don't worry if you can't find the first book, they can be read as stand alones and you won't miss anything. These books are fabulous; I'm going to try to get the first one as well.

What I love about this novel the theme: Love shows up at the oddest times. Rebecca is ready to give up. After first date failures, she has no time to look for Mr. Right. As she is about to turn in the last card, she bumps into Jake Donnelly's card and realizes he's perfect. For a one-night stand. But it doesn't work that way. They realize they have stronger feelings for just a one-night stand.

Throughout the entire novel I was engaged and definitely intrigued, hooked on every page and excited to read what's next. Not only could I not wait to see if the couple lives happily ever after, but also to see if Mr. West was really the drug addict involved in drug trafficking. Ms. Leigh writes a great story, not just a great Harlequin Blaze romance.

Character development was great. I feel like I have known them all my life. Ms. Leigh left no base uncovered by the end of the book. I can't tell you how many times I get to the end of the book, and I still don't know anything about a main characters past. Having questions unanswered by the end of a novel is so frustrating!

Now I get to tell you about the love scenes!!! They were delightfully sexy! I can tell you I was not bored in the least. Spectacular descriptions made it uber-easy to picture what the characters were feeling, doing, seeing, you name it! My favorite part is the first sex scene, when they still believe "it's only going to be a one-night stand" there is no awkwardness between Jake and Rebecca; they were very open with each other about what they wanted and liked, as if they'd been "doing it" for awhile.

Jake and his father's relationship is heartwarming, I love how sweet Jake is! Not only to Rebecca as a way to impress her, but he's naturally charming and protective of his father and friends as well. Not many people, men especially, are like that. Even if Jake isn't a real person, he inspires women everywhere to wait for a man as caring as he. Love it!

I enjoy the informal approach Ms. Leigh has on writing. It's very comfortable, not always light, but definitely addictive. I have been an addict of romance for a long time, but nobody has ever drawn me in the way she has.

Recommendations??

Harlequin lovers. Macho men admirers. Romance readers. Rugged Cop addicts. Every women could probably enjoy reading this fabulous book!

### **Cynthia D'Alba says**

Sexy. Fun. Fast paced. Cop injured in the line of duty. Heroine has more money than Trump. Supposed to be a one-night stand, until it wasn't anymore.

What more could you want?

Such a enjoyable read. I'm downloading the next in the series ASAP!

### **Kate says**

Yes, even I admit that this cover is gratuitous. But this opposites-attract story was a nice read and the relationship progressed nicely and was sweet. The only glaringly bad thing was the suspense plot, which was completely unnecessary, in my opinion.
