## Mail Order Marvel Kirsten Osbourne

Coral has always been different than other young ladies and not just because of the circumstances of her birth. When her sister, Esther, moves west to Montana to be a mail order bride, she goes with her, hoping that she will quickly find a husband herself and not long be a burden on her sister and her new husband. She agrees to meet any of the men her brother-in-law finds suitable for her, hoping she will find a match and leave the newlyweds' home.

Jackson is new to the rural area of Montana where he is now teaching. When he's approached by one of the local ranchers to meet his younger sister-in-law, he goes along with it, because he realizes having a wife would make his life a great deal easier. Upon meeting Coral, he is initially put off by her bold manner, but he agrees to the match, and soon the couple is off to Lost Legacy to marry. Will he be able to get past Coral's boldness to see the woman within? Or will they spend the rest of their lives in a loveless marriage?

## **From Reader Review Mail Order Marvel for online ebook**

### **Crystal says**

#### **Love of a good man**

This was a lovely and romantic story. Poor Coral has had a hard life with her special gifts, no man has wanted her, until Jackson, together they are a terrific couple, each accepting and loving of one another.

---

### **Crystal says**

#### **Amazing!**

I loved reading about Jack and Coral, and how special their relationship is. Coral is one marvel of a woman!

---

### **Anne Butler says**

#### **Great book**

Another great book in the Brides If Beckham series this one is the sister book to the last one .A sort of mail order bride goes out west with her sister but the cabin is too tiny so Coral needs to marry soon.I loved this book and it had a good message and I hated to put it down.

---

### **Pamela Hastings says**

#### **Great Reading!**

As always, Kristen Osbourne kept me reading the whole book in one sitting! Such a sweet, moving story of Coral and Jack. Loves every chapter!

---

### **Erin Krol says**

#### **Heroine is different and likable!**

Coral is odd by society's standards, but behind the rough exterior is a sensitive, talented woman. Her story is satisfying. Another good one.

---

## **Barbara says**

He's a teacher who wants a wife to cook and clean. Two things he does not excel at. She's seventeen and living with her sister and her new husband in their one bedroom cabin where they have not been able to truly live as man and wife. All three parties are frustrated. Coral within an hour and a half of meeting Jackson is engaged to be married and the next day married to him. Their life is fast paced as he learns that his new wife is truly a marvel! She can do it all including cooking and cleaning which is what he desired, but she can also read at lightning pace. Do upper level math in her head and kill, skin and prepare a deer. What she can't do is compete with her sister or deal with people very well.

---

## **Mary Jane McLeod says**

### **Loved it**

Kirsten Osbourne is one of my favorite authors. She never disappoints me. I love her Brides of Beckham books. Carol and Jackson's story made me smile.

---

## **Lea & Sandra Kanae-Diocson says**

### **A telling romance**

There is more to this story than a romance. Here are two people who find love while finding and completing themselves.

---

## **kathi Driskell says**

### **First series**

I decided I wanted to read a complete series all in order. So I tried with this because I admire Kirstens work. Up til now I was just reading for historical content. This was a great big satisfying set for me.

---

## **Diana says**

### **Love Brides of Beckham series and this book is great!**

Love Brides of Beckham series and this book is great. Love Jack and Cora's happily ever after story and Jack's gift.

---

## **Marsha Spohn says**

Reviewed at Historically Romantic

I'm so glad we got Coral's whole story. We met her in Mail Order Machinations when Esther and Brody met and married. Coral's marriage proposal at the ending of that story seemed rushed, like she was randomly picking out a man to marry in order to get out of her sister and brother-in-law's home so they could start their marriage... and in reality, that's exactly what she was doing. Jackson would do, especially if he agreed to wait to physically start their marriage until she turned 18 in a few months. At first glance it seems that the bride and groom were making do with each other in this fast, rush to the wedding of theirs. But in reality, they were the best choice for the other that they could have ever hoped to find.

Learning has always been easy for Coral, in fact she is a near genius. She has, what today is known as a photographic memory, but back then was an oddity, and in some communities, something to be afraid of. So Coral kept the depth of her intelligence, her abilities to herself as much as she could. But she still didn't see why she should hide that she loved to learn new things around men. She was no simpering miss afraid to speak her mind, and in truth most men were intimidated by Coral. Not Jackson. He will slowly begin to understand just what a gem he impulsively agreed to marry. And we get to watch Coral shine and become her own natural self as she discovers a man who will love her just exactly as she is... probably smarter than he is, and that's okay.

I had fun with Coral and Jackson's romance, and I'm pretty sure if you love Western Historical Romance that you will, too.

I read this title through my Kindle Unlimited subscription.

## **Cindy says**

I liked this book even better than the one before. I really liked Coral more than her sister and I'm glad she found her love.

---

## **Barbara Munson says**

### **A perfect love story!**

Reading this makes me realize how very little many people knew each other when they married. It takes a lot of faith and hope for a better future

---

## **Robin Malek says**

### **Simply Marvelous!**

Well, Jackson met his match when he met Coral. They are a match made in heaven and will undoubtedly be

happy straight to the end.

---

**Donna says**

**Great book.**

I loved this series. Be sure to read Brides of Beckham 26 first. This is a great book. Kirsten Osborne is an amazing author.
