Making Jewelry With Beads And Silver Jewelry For Beginners : A Complete and Step by Step Guide: (Special 2 In 1 Exclusive Edition) Janet Evans

Wearing jewelry is essential to helping women developed their own style. For women wishing to create a look that's unique, the last thing they'll want to invest money in is mass produced pieces of jewelry. It's for this reason alone, learning the skills needed for making silver and beaded jewelry could prove extremely beneficial. When it comes to making such pieces you need to know where to purchase the right kinds of supplies. In this book, " Making Jewelry With Beads & Silver Jewelry For Beginners : A Complete Step by Step Guide (Special 2 In 1 Edition)" not only do we discuss what's needed to start your own silver & beaded jewelry making venture but also provide several projects you may want to try out. The actual process of turning a piece of silver into a piece of jewelry is not only very technical, but also allows your artistic side to flourish. Once you've finished making silver jewelry either for yourself or for someone else, it can prove extremely satisfying, especially as you watch the piece develop and grow. In addition, after finishing this book not only will you be able to create unique and stunning jewelry designs with beads for yourself but for others as well. Within this book are some techniques that'll only take a matter of minutes to master, whilst others may require you to spend a little more time practicing them to achieve the right kinds of results. From the outset, this book has been designed for those who have never created jewelry with beads and silver before. However by the end you'll be an expert in the tools of the trade, the supplies you need and some basic skills you can advance upon over time. Disappointed

Because this is a book for beginners, I expected more and better quality photos. The projects are pretty easy so they wouldn't too difficult to follow without the photos but it would have made this instructional book much more appealing.
