That's Sneaky: Stealthy Secrets and Devious Data That Will Test Your Lie Detector Crispin Boyer
Do you think spies are stupendous? Ninjas are neat? Mysteries are more than meet the private eye? Then you'll love *That's Sneaky*, the most surprising and suspenseful information that we're legally permitted to print. Jam-packed into this top secret title is the most classified and downright dangerous information you'll ever get your amateur detective hands on. Want to escape one of history's most heinous prisons? Consult chapter 7. Dare to dodge ocean predators by slipping into a sharkproof suit? Check out chapter 1. Prefer to gear up with spy gadgets? Flip to chapter 5. With stealthy Agent 'Stache as your partner, you'll face elements of surprise and masters of disguise. Embrace the adventure and listen well—you never know when this book may self-destruct!
