Human Resources Management for Public and Nonprofit Organizations: A Strategic Approach

Joan E. Pynes

Human Resources Management for Public and Nonprofit Organizations: A Strategic Approach Joan E. Pynes

This thoroughly updated and comprehensive guide to strategic human resource management in public and nonprofit organizations reflects the current knowledge, practice, legal, social, economic and technological environment in which public and nonprofit organizations currently operate. The book addresses the significant changes in the field due to the economic crisis, changes in federal employment laws, increased use of technology and social media and new approaches to HRM policy and practice. The book also includes new material on workplace violence and employee discipline as well as more tables and exhibits as applicable.

Tara says

I do not have a background in human resources so this book has been very helpful in helping me understand my responsibilities as director of a nonprofit organization.

Whitney Chiang says

Very informational -I read this book for a class on Arts Management and Leadership. I will definitely keep as a reference.

Susan Vincent says

Required text for HR for NPO class @ Mandel Center. So far it's been very interesting.

Beth says

Thoroughly explains Human Resources planning and the legalities that must be understood. Clear and concise language, perfect for new students of public administration and human resources.

Krista says

Read this book for school, so gosh darnit I'm counting it! It was very informative, though some things could've been excluded and other things were repetitive. I read the 4th edition paperback. I didn't feel like adding it so I just used this one.
