A dangerous renegade...

A beautiful debutante...

And a passion that knows no bounds!

The notorious outlaw called Nevada didn't ride for gold... he rode for vengeance. But this night he'd found a treasure beyond compare: Her name was Cherish. Swept up into Nevada's strong arms, carried through the darkness into a wild land, she felt her body stirring against the bare chest of her virile captor. As he held her close and stroked her softly, he made a ransom demand that left Cherish trembling: one night in his bed and he'd return her to her bridegroom. Yet if she surrendered her innocence in a single ravishing encounter, could she forget this desperado's kisses, come the dawn? Or would she burn for his loving caresses now and forevermore?

Another great read! the reason why I give it a four star is because the author made it drag too long...but all in all it was a great story.
