THE FORBIDDEN PLA-NUT PART 2 Nancy (human, no powers) and Tippy-Toe (squirrel, no powers) have been kidnapped! Trapped on an alien world filled with alien squirrels, they have only a short amount of time to figure out something – ANYTHING – before EVERYBODY DIES. But that's okay, because Squirrel Girl will rescue them, right? I'd love to say, "Yes, absolutely," but instead I am forced to say, "No way, she's trapped on Earth, she barely knows where they are, and she has to defeat THE DREAD DORMAMMU before she can go anywhere!" And with LOKI standing in as Sorcerer Supreme, it's not like this battle is going to be A) easy or B) at all winnable. That's right: Loki's back, baby! Can CAT THOR be far behind?

"lowkey Loki" lmao

April says

So good! Loki (as Doctor Strange) and Squirrel Girl need to face down Dormamu while Nancy and Tippy Toe attempt to save the green-squirrel-filled planet from Galactus and a bomb! Smart, funny, fun and fabulous with some kicked butts and eating of nuts thrown in for good measure this is yet another great addition to the best comic series out there.

Ella says

Still excellent

Squirrel girl knows exactly what it is as a comic, and I think it's only getting better at it over time. A delight.
