A Funny Thing About Love: Dancing Queen; Prom Crashers; Drive Me Crazy Erin Downing

Three girls. Three adventures. Three chances at love. Fans of the Romantic Comedies series—which has more than 1 million copies in print—will delight in this trade paperback bind-up of three books, featuring a photographic cover.

In *Dancing Queen*, Olivia can't believe it when she lands an internship at a hot music television station in London! But she really has to pinch herself when she captures the heart of a mega pop star. Is he the right one for her? In *Prom Crashers*, Emily has lost the number of the cutest guy she's met in ages. All she knows is his first name and that he's going to a prom. So she throws on a dress, hails a limo—and crashes every prom in town on her search for love! In *Drive Me Crazy*, Kate's not happy when hot-but-he-knows-it Adam crashes her all-girls road trip. But it's a long way to the lake house, and love sometimes takes an unexpected turn....

From the first look to the final kiss, three stories to fall in love with!

Bailey Stanley says

These were great books! 3 in 1 and 652 pages i read so fast because i read it in like.. 2 days :) GO AND BUY THIS NOW.

Tara says

Dancing Queen: This book was good, yet in a way very predictable which kind of drew away from the story. I would give this book three stars.

Prom Crashers: One and a Half stars

Driving me crazy: I really enjoyed this book, it was cute and funny and you really had the chance to see love work in crazy situations. I would give this book 4 stars.

Maegan says

Personally, my favorite one was Driving Me Crazy because i've always wanted to go on a road trip with a bunch of friends.

Mallorie says

It was alright altogether. The books seemed like the same novel just with different characters, and totally different settings.

Aliesa says

I liked the first story, I got bored throughout the second story but I still think it's somewhat nakakakilig omg, I loved loved loved the third story to death.

*full review soon

Lilly says

Really disappointing.

Jia Hui says

AMAZING! I LOVED ALL 3 STORIES! first time ever for an omnibus! keep writing fantastic stories like this, Erin!

Migs Fiel says

Very good. This deserves a movie.

Anna says

3.5 stars.

Everyone loves a cute, frilly feel good love story. These three stories by Erin Downing just perfect for what I was currently looking for. An easy happy-go-lucky definite good ending is just nice to have one in a while.

So although they didn't have too much substance to them, I did enjoy them. My favorite was probably the last one with Kate and Adam, it had the perfect ending to the whole book.

Isabel says

I like DRIVE ME CRAZY the best. I'm actually wondering why it didn't leave much of an impression on my friends.

;P

Monica says

I liked the third book the most (Drive me Crazy). This book is for people who don't need challenging material and who enjoy a comedy-like story. I felt like the third book was developed the best. The characters in Dancing Queen were too underdeveloped and shallow. It was hard to get into the book. It's a simple read that is okay to read if you have nothing else or if you just want to take your mind off things and relax.

Allie says

I thought this book would be a little too light for me, but it wasn't. All three stories are clean, too. I enjoyed reading this book a lot more than I thought I would!

Luna Everblue says

I LOVED THIS BOOK SO MUCH!!! OMG ADAM IS THE CUTEST PERSON EVER!!! *sighs dramatically* I loved how Drive Me Crazy turned out! Definitely my favorite out of the three. 5/5 stars!!! I LOVE IT!!!!

Favorite quote: "Why do you dislike Lucas so much?" Kate asked this without really expecting an answer. But She couldn't stop herself from asking. Adam paused, and his face turned toward hers in the pinkish afternoon light. For a moment he said nothing. When he did finally speak, his voice was quiet and deliberate, as though he'd taken the time to think it through for once. "Because he got the girl I'm falling in love with- and he's not treating her the way I would."
