Olivia explains what being a big sister is all about in this storybook with stickers that's perfect for older siblings!

Olivia loves being a big sister to her brothers, Ian and William, and she's sharing her favorite tips for older siblings in this funny guidebook. Everyone's favorite pig gives humorous advice on how to help Mom with the stroller, how to help the baby sleep, how to share toys, and more. Includes a special treat for big siblings: a sheet of Olivia stickers!

Alexandria Tietz says

I really like this authors books. I think the pictures are adorable and really fit well with the story. I like how each of Natalie Shaw's Olivia books are based of different topics. This would be a great book to read to a child who is about to be a big sister.

Becky B says

Olivia expounds on the many ways she is the best big sister ever for her two little brothers.

Olivia is actually trying to be nice and helpful in this book (not always her strong point). Not sure how much little kids will get the subtle humor throughout the book, but maybe that's to help the adult readers through numerous re-readings. A quick little story about a little girl trying to be a helper and good example for younger siblings.
