Accounting All-in-One For Dummies Kenneth W. Boyd

Your all-in-one accounting resource

If you're a numbers person, it's your lucky day! Accounting jobs are on the rise — in fact, the Bureau of Labor Statistics projects a faster-than-average growth rate of 11% in the industry through 2024. So, if you're seeking long-term job security while also pursuing your passion, you'll be stacking the odds in your favor by starting a career in accounting.

Accountants don't necessarily lead a solitary life behind a desk in a bank. The field offers opportunities in auditing, budget analysis, financial accounting, management accounting, tax accounting, and more. In *Accounting All-in-One For Dummies*, you'll benefit from cream-of-the-crop content culled from several previously published books. It'll help you to flourish in whatever niche you want to conquer in the wonderful world of accounting. You'll also get free access to a quiz for each section of the book online.

Report on financial statements Make savvy business decisions Audit and detect financial fraud Handle cash and make purchasing decisions Get free access to topic quizzes online

If you're a student studying the application of accounting theories or a professional looking for a valuable desktop reference you can trust, this book covers it all.
