Tish and Rell

Rell was wrong for doing that tattoo. The girl was thirsty from the beginning. Their Mother is so wrong for how she treated her Children. Tavis is BAE. So Happy everything worked out for the couples.

Great spin off!

Yesssss this was a perfect spin off and picked up at a great place for Rell and Tish. I'm happy to see they ended up together being happy with another. Tavis is definitely bae ?, I loved how he treated Ree. Even tho he was made about what she did he had it made up he was forgiving her. I really enjoyed this characters and the storyline flowed so well.

Another great book from beginning to end and it's what I expected cause all her books are AMAZING!!! Awesome character that moved a steady pace with a good flow and enough drama and action for a well written complete series. Definitely recommend this book, you won't be disappointed. Kudos KC Mills.

?????

Ty KC, you never disappoint in your writing. I enjoyed their story . Sometimes it's good to give readers input and outcome of others besides the main characters. Anxiously awaiting your next release.

Yes this was great

This was a great read for Tish, Yurell, Gavin and Ree. These couples displayed a lot of love for each other. I like that fact that no foolishness was tolerated when it came to their significant other. Yurell is Bae, he stepped up and helped Tish with her brothers. Tavia had so much love for Ree and I'm glad the truth came out about what happen between her and Hinson. I didn't want them to break up. Tavia only had eyes for Ree I really liked their chemistry. All the couples was adorable and loveable.

Loved it!

It was nice to see a pure love story. I loved the relationships between Yurell and Tish, and Tavis and Ree. The story showed how people make mistakes, but love can get you through it. This was a great read!

When we ask KC MILLS hey "what about these characters" you see what she does sums it up with NO PROBLEM. This is just like I envision Tish and Yurell to be. These two were a perfect match and I absolutely enjoyed this read

Another great book. I can't say i didn't expect cause all her book are amazing. Glad to see Tish and Rell are still going strong since they both as stubborn as can be. Definitely recommend this!!

Mar Lo says**Awesome read**

I really enjoyed this story. I see that Tish and Yurell have grown as a couple. They have their trials and tribulation. However they still remain strong. I was glad to see that she was still taking care of her brothers. Her mother is so evil. I love the appears of the April, Fleet and Siin. K.C Mills is a great writer keep up the great work.

rocquel says**You did it once again**

Omg her mother lord have mercy she was something else .I tell but am glad she had her husband mother to help her thru the pain along with him and everyone else wish I could give you more stars

Aleisha says**Loved it!!!!**

Great read!!! It was good to catch up with Rell and Tish and the crew. I loved that Tish didn't play no games at the shop with the women, she was too serious. Corrie was messy and got what she deserved. Poor Ree to be violated like that, but Hines got what he deserved too. This book was great!!!!

Ladii Zig says**Refreshing**

It was good to read a little more about Tish and Yurell. I love the way Rell loved Tish and was very committed and took his vows serious when it came to his wife and daughter. Tavis and Ree glad they got it together, for a minute I was really mad at Ree cause I thought she was on some shady stuff but the truth came out and was glad that Tavis was able to forgive her. Goodread
