Because It's You Lindsay Paige

Marc Polinski is known for having fun, always smiling, and being a third wheel for his friends, Noah and Meredith. A rare one night stand at a Halloween party and running into the woman again sets Marc on a path of no return. He can't walk away from her, even if he wanted to, and he absolutely doesn't want to do that.

Elizabeth Boyd hasn't dated in a long time and if it wasn't for her sister-in-law, she wouldn't have been pushed toward the seemingly bad idea of Marc Polinski. She's not sure she wants to date, but she can't seem to turn Marc down either. Little by little, she lets Marc wiggle past all of her defenses.

Their relationship is rocky from the start, and with both of them having demons and secrets, things between them are a struggle. Will they be able to overcome their pasts, let each other in, and start building a life together or will they find they were doomed from the start?

5 stars for Because it's You by Lindsay Paige

What a beautiful love story of acceptance with a dose of humor. Did not see the twist coming. Can't wait for the next instalment of Carolina Rebels.

WOW Wow Wow

I dont know where to begin with this one.. I didn't see any of this storyline coming.

We meet Marc in Book 1.. he is the goofy fun loving outgoing friend/teammate of Noah's. Marc meets Lizzy at a halloween party and has a one night stand with her.. However he can't seem to get her out of his mind. When he runs into her again and realizes who she is can they make this into something more or will the demons of both their pasts halt them?

Two words that make me not want to read a book: defense and wall (around the heart- eye rolling). Secrets are ok.. but those two got on my nerves.

Marco!

Polo!

Marc is so perfect. Elizabeth is a strong character. Both of them have hearth breaking back stories. I loved

Marc's character in the first book. He's a total joker, but super genuine and totally wins over your heart. He explains what he looks for in a relationship and . . . he is surreal. When he is in a relationship, he is completely all in. He looks for forever. I know he is a fictional character, but GUYS take some notes if you decide to read this book. As the story progressed, I caught onto what would soon be the climax, but I didn't want to jump to conclusions until everything was revealed. Turns out, I was totally on track, if not on point. Story is a bit predictable, but thoroughly enjoyable. It breaks your heart, but in a wonderful way. I caught onto a possibility of which Rebel's story might be told next, but I could be entirely wrong. Because I saw two plausible characters.

Lindsay Paige is up high in my top favorite authors. I love her writing, her characters and I strongly recommend that you check out her work. Whether it be this book, or any of her other books. She's amazing.

Because It's You is the second book in the Carolina Rebels series by Lindsay Paige.

Marc Polinski was a professional hockey player. He's gorgeous but also the class clown who brought humor and happiness to the team and everyone that crossed his path. Elizabeth Boyd was the beautiful sister-in-Law to one of Marc's teammates. She was broken and no where near ready for a relationship. She pushed Marc away at every turn. Through Marc's tenacity, Marc and Elizabeth spend time together and developed a friendship/semi-relationship.

It was obvious that Elizabeth had some major issues and needed healing. She appeared weak, yet, Marc uncovered her underlying strength little by little. What wasn't obvious was Marc's issues. To the world, he was happy and nothing could influence his positive and fun outlook. In reality, his persona was masking the truth.

I loved as the story progressed, Paige revealed a balance that the two brought to each other. Elizabeth was serious and high strung where Marc was never serious. I enjoyed watching them heal each other and bring a healthy balance into each other's lives that no one else had managed to do.

Because It's you was a serious and intense outlook; however, Marc's personality brought in humor and a lighthearted approach to the seriousness and challenges of life.

It was well written and well developed. There were quite a few editing errors sprinkled throughout the story and, at times, the story dragged a little for me; otherwise, I thoroughly enjoyed it and found it a good addition to the series.

Paige included a great cast of supporting characters that added depth and dimension to the storyline. Ian "Bruiser" Rhett is up next and I can't wait to see where Paige takes us!

Another hat trick by this author!!! What a beautiful yet emotional story! I loved how Elizabeth and Marc

came together and grew into this beautiful relationship , yes it wasn't an easy ride, but I'm glad to see that love conquered it all.. there were times where I laughed, where I hurt and where I got angry, but it's one of those stories that will make you root for love even if you don't believe in it!

Because It's You (Carolina Rebels #2) by Lindsay Paige Lindsay Paige scored again with BECAUSE IT'S YOU the second book from the Carolina Rebels series. I have been looking forward to hearing Marc Polinski's and Elizabeth Boyd's story since the first book, BACK TO ME. The story starts off at the Halloween party from book one and takes place around the same time frame. I loved hearing the story for both Marc's and Lizzy's point of views. Both characters are well-developed and complex. They have amazing chemistry and are likeable. They have multiple issues in their past that make their relationship challenging. My heart went out to both characters.

I'm glad Lizzy has Sylvia and Scott. Elizabeth is the widow of Scott's brother, Roger. She has had a difficult time dealing with his death even though it has been close to six years since he past. Sylvia decides to set her up with Scott's Carolina Rebels NHL teammate, Marc Polinski. Despite all their issues and secrets, the two start to see each other, eventually healing one another in the process. They are perfect for each other.

I love Marc. He has a huge heart. He had a difficult childhood that still haunts him, although you would never guess it from his typically happy personality. I think it's great that his friends call him Marco Polo because of his last name. I enjoyed how they always say Marco Polo to each other. Elizabeth is sweet and has carried many burdens. I love how the couple opens-up to one another.

The plot was amazing with tons of interesting twists. BECAUSE IT'S YOU was skillfully written and flowed well. The hockey scenes were credible and exciting. The story was heartfelt. There were unexpected thrilling turns of events. The story had everything you could want in a sports romance. I cannot wait for the next book in the series US AT FIRST. I voluntarily reviewed an advance reader copy of this book.

MARCO! Gosh, Marc is swoony goodness x 1000! He & Elizabeth's story is emotional, gripping, FUN, and oh so sweet. I adored book 1 & this is a wonderful follow up. SO much to adore about these two and their story of healing. Plus, we get some Noah & Mere time. Loved it, highly recommend this series! :)

POLO! ;)

Because It's You by Lindsay Paige is a sweet, emotional read with just the right amount of heat. This is the second book in Lindsay's Carolina Rebels series and can be read as a standalone even though we met Marc Polinski in Back To Me, book one in the series.

Marc Polinski, hockey player with NHL's Rebels, doesn't do flings. Marc is more of the relationship kind of guy but after a Halloween party one-night stand he can't get "Poison Ivy" off his mind. Always a fun loving guy, Marc can't believe he's found her but his charms aren't working like he thought they would. Elizabeth Boyd has scars which have found her morning the loss of her high-school sweetheart husband for years. A night of lost inhibitions has Elizabeth head spinning because as much as she enjoys Marc the guilt of moving on is confusing her and making her wonder if she should be happy with someone else.

Wow, this book was like a gut punch in the emotional department. Elizabeth's guilt and demons are so rough that it would be hard for anyone to over come them but if anyone can it's the fun loving Marc who can make that happen. Marc is just as lovable as when we first met him in Back To Me and that love only grows more as you read his story. Over coming his own demons and helping heal Elizabeth only rises his book boyfriend status to epic. This book was beyond my expectations and kept me glued to my kindle. 5 Marco Polo stars for Because It's You by Lindsay Paige

Because It's You is the second book in Lindsay Paige's Carolina Rebels series, which is a great hockey romance series that I would recommend. This book features the ever-so-confident Marc Polinski who is obsessed with a girl he met at a team Halloween party and Elizabeth Boyd, who hasn't dated in awhile and doesn't know what came over her during Halloween. In this book, Noah and Meredith makes appearances and we also meet more team members, including Ian, who will be featured in Carolina Rebels #2.5.

When Elizabeth's sister-in-law sets the two up in a desperate attempt to get Elizabeth dating again, their instant chemistry that had ignited from Halloween bubbles over and Marc falls for her quickly. Throughout the story, Elizabeth's past haunts her, preventing her from giving into her true feelings for Marc. She's so scared to trust him and let herself be loved and he's so sure that he is exactly what she needs.

Lindsay's writing always tugs at my heartstrings, so I love reading her books to get caught up in the poignant emotions of her stories. This book was no exception, although Elizabeth was difficult to like, at first. Her story and past is reveal as the novel goes on and with each new reveal, her character becomes more likable and more understood. However, Marc is unfailing in his love and faith for Elizabeth and the metaphorical mountains that he climbs for her makes me swoon for him all over again. I loved Noah, but Marc is now my new favorite Rebel.

I love all of Lindsay's books and highly recommend her writing to anyone. This series is refreshingly real and honest that I truly enjoyed each Carolina Rebel novel and look forward to the future books in this series! *I received a free Advance Reader Copy in exchange for my honest thoughts/opinions of the author's book.*

Heavy Revolutions

A great heavy hockey story. This book was all over the place emotionally. Very good, but very serious at times. But Marc was still his charming self and Elizabeth really turned herself around. Great storytelling.
