Ramage's Signal Dudley Pope

The Calypso and her captain, Lord Nicholas Ramage, venture further into the French-dominated waters of the Mediterranean on an Admiralty mission to sink, burn, and destroy. Aiming to confuse and distract the enemy, Ramage and his men find themselves isolated and outnumbered as they take on the might of Napoleon's fleet.

Peter says

The first of the Ramage books - all of which are exciting and well written. The Ramage series ranks 3rd with me behind Hornblower and Bolitho for age of sail excitement. Ramage is just a little too good and nothing is impossible..

Annette McIntyre says

Captain Ramage and his crew aboard the English ship Calypso are ordered to the Mediterranean, with orders to sink as many French ships as possible and make as big an annoyance of himself as possible. So Ramage does just that in a rather unorthodox manner.

Liz says

It was pretty good.

Sho says

This is the middle one of a series of about 10 books, I think. Most excellent - not quite as good as Hornblower but not as densely political or naval as O'Brian. Thoroughly enjoyable read.

Jon Box says

I continue to enjoy Captain Lord Ramage, his band of loyal men, and his interesting exploits . . . These unconventional naval actions in the western Med against 'Boney' and his allies continue to entertain.

Ramages Signal. By Dudley Pope
19th century British naval story. If you like C S Forresters Hornblower series you like this. Gave this book 4 stars

Carol says

I liked this story, very fast paced. I really ought to learn more about the sailing terminology! Seems to lead

into the next in the series.
