Remington Kane

Smoke & Mirrors Remington Kane

From REMINGTON KANE - The author of The TAKEN! Series

YOUNG GUNS 2 - A TANNER Series - Book 2

Cody and Romeo help Spenser fulfill a contract while in Tucson, Arizona in 1998.

Twenty years later, in New York City, Tanner believes he's seen a man whom he and Romeo killed long ago.

YOUNG GUNS - Legends aren't born, they're made.

Tere Fredericks says

Another Tanner short.

Unlike in Young Guns, Cody Parker is mostly using that name. He is still with the other young man from Young Guns (technically his rival), as this part actually takes place the month or so immediately after their kidnapping in Carson City.

After arriving in Tucson, the 1998 Tanner takes them for a steak dinner. He informs the two mini-rivals he is thinking of taking a job. While he is talking, the boys are eying a pair of out of three waitresses working in their section.

The boys take all three home, the third being their roommate. Things seem to be going in the boys' favor. Tanner takes the job, and the boys get to know their two girls.

Then everything falls apart. The sign of Tanner is to keep cool, no matter what.

Years later, in New York City where Tanner is living with Sara Blake, he literally sees a ghost. Someone he and Romeo had killed 20 years earlier.

As the story goes back and forth between Tucson in 1998 and NYC in 2018, how all these events are related becomes obvious. And Tanner needs to finish a job long past due.

Adding Sara to this book is terrific. Just another way Mr. Kane shows he has his story arc clearly focused. I still, as always, can't wait for more!

Now on to Young Guns 3!

Aimee Alvarez says

Great Quick Read

Always LOVE a Tanner read. The short stories hold me over until another Tanner Book is released...Now onto Young Guns 3!!

Arthur says

Young Guns 2: Smoke & Mirrors

Tanner's training his choices for his replacement, two eager young men, both capable, but maybe neither will be chosen. Tanner's also trying to close a mystery, a man he thought he'd killed some twenty years earlier, is alive and still stalking and killing young women. That has to end and quickly, before another young woman

loses her life. Thanks for another great read!

Helen Callahan says

Young Guns 2, Smoke and Mirrors is both...Remming Kane new Young Guns series and spinoff of his TANNER series. The YG series books are nonstop QUICK reads with BIG stories. Remmington Kane uses chapters to rotate between (back and forth) a current Tanner situation while Tanner remembers back on a specific past situation. This back and forth leads to a clever storyline. Action Packed Entertainment! Unpredictable twists and turns! With some Remmington Kane destruction, mayhem and sardonic humor. I received this book as an ARC. I am voluntarily posting this review. Should be added to readers' must read list!!!

Rob says

RZ does it again.

For those of you looking for a new author Remington Jane will not disappoint. He has several very good series going.

He does not drag on and all his books are easy reads. You don't ever have to skip ahead of the boring parts because there are none

Karen says

Correcting mistakes

This KU Library selection is a great addition to the Tanner series offshoot, Young Guns. As with the previous book in the series, the storyline alternates between past and present.

In 1998, young Cody and Romeo were in training to become the next Tanner. In 2018, Cody, the current Tanner, sees someone from his past on the street of NYC. Someone he killed in 1998. A serial killer.

As usual with a Remington Kane Tanner book, I could not put it down. I've preordered book three and can't wait.

Marla London says

Tanner

Love the Tanner tales can't stop reading about Tanner , I have read all of them
Great character, action, entertaining.

Irene Thouin says

Great Tanner story.

Love all the Tanner series. Especially when you read how they started in their young days with Romeo & Spenser. A great read!!!
