## Spider Michael Morley

**Synopsis** The press call him the Black River Killer and his stats are shocking: 16 murders; not captured in 20 years; the FBI's best profiler – Jack King – burned out and beaten, his career shattered. Jack and his wife now run a hotel in Tuscany. And though he still gets nightmares, rural Italy is a whole world away from BRK's brutal crime scenes in Southern Carolina. Or so Jack thought . . . As Italian cops discover the body of a young woman – her remains mutilated like BRK's victims - a gruesome package arrives at the FBI, twin events that conspire to lure the profiler back into the hunt. But this time, who is the spider and who is the fly? » Read the prologue and first five chapters by downloading the Penguin Taster here » Visit Penguin Tasters

## Maiko76 says

Brutto e banale. Fuorivante il modo di scrittura, in un capitolo il protagonista è il poliziotto e in quello dopo è il killer.

Kitab? okurken ara vermek zorunda kald?m birkaç ay kadarç?k ;) O yüzden pek de dikkate almay?n yorumu. E o zaman neden yorum yap?yorsun diyorsan?z (hakl?s?n?z), bakt?m yorum falan yok biraz konuya de?inip merak?n?z? giderebilirim.

Jack King, Black River Katili (BRK)davas?na zaman?nda bakm??, ama katili yakalayamam??. Üstelik bu dava yüzünden hastalanm??. Kar?s? ve o?luyla otel i?letmeye ba?lam??. Tabiki katil geri dönüp neredeyse kusursuz bir planla onu olaylar?n içine dahil ediyor, çok öncesine dayal? bir olay?n intikam?n? almak için.Katille ilgili delil arama a?amas?nda çok s?k?ld?m nedense. Katil de ?u insan görünü?lü psikopatlardan, kimsenin ?üphelenmedi?i tiplerden. Kendisine Öümcek, öldürdükleri bayanlara da ?eker diyor. ?nsan bunca zaman ve bu ?ekilde kin tutar m?? San?r?m okuduklar?m?n kurgu oldu?unu daha s?k hat?rlatmal?y?m kendime. Neyse sonlara do?ru iyiydi.Sadece Bay Jack bana biraz duygusuz geldi. Is?namad?m :P Son sayfalarda yazar bir katille yapt??? görü?meyi de anlatm??. O daha çok ilgimi çekti desem...

siccome ho avuto 3 punti negativi per un commento che non esiste, specifico che il titolo che ho messo, ritrovabile in altri volumi della mia libreria, serve solo ad indicare che il libro mi è stato prestato....poi se volete giudicare come negativa questa cosa non c'è problema...era solo per amor di chiarezza!

Zusammenfassung:

Die Jagd auf den sogenannten Black-River-Killer hätte den Profiler Jack King fast das Leben gekostet. Jetzt lebt er mit seiner Familie in der Toskana und führt dort ein kleines Hotel. Fernab seines einst so geliebten Jobs, will er noch einmal ganz von vorne beginnen. Doch viel Zeit ist ihm nicht vergönnt. Schon bald wird ganz in Jacks Nähe eine Frau bestialisch ermordet. Ein Mord, wie ihn auch der Black-River-Killer begehen würde. Und ehe sich Jack versieht, bittet ihn auch schon die italienische Polizei um Hilfe. Was Jack nicht weiß - der Killer ist ihm inzwischen näher als je zuvor ...

Fazit:

Hier haben wir also wieder einmal einen absoluten SUB-Hüter, wenn man so will. Mehr als zweieinhalb Jahre hat das Buch auf meinem SUB vor sich hingedöst, ehe ich mich endlich erbarmt und es gelesen habe. Und es war ganz okay, würde ich sagen. Nett. Unterhaltsam. Okay, einfach. Nichts Besonderes und leider auch nicht annähernd so spannend, wie es hätte sein können. Dennoch solide, würde ich sagen. Richtig gestört hat mich nur, dass ich einfach keinen Draht zu Jack King bekommen habe. Er ließ mich einfach kalt und ich habe keine Ahnung wieso. Von daher ...

Loved this book. I found it exciting and fast paced and I just didn't want to put down.

I loved this novel, it's my kind of story. Fast read, short paragraph, the economy of words, makes it snappy, interesting, and movie-like. The ending was one the most unexpected I read in a long time. If you like edge of your seat suspense, don't look any further, this Spider will catch you in it's web.

The book cover promises a terrifying & relentless paced thriller that will have you hooked - & it certainly fulfilled it's promises!

I'm not usually keen on profiler novels or indeed those that cross continents but this has proved an exception. The short paragraphs & economic writing style keep things moving & help create the feeling of things going at a fast pace. The ending kept me on tenterhooks as I couldn't fathom out which way things would go.

I really don't want to add yet another series to my *must read* list (I'm way behind on the dozen or so I follow as it is!) but if I happen across another by this author, I'll be snapping it up for sure :o)

Giallo senza pretese, ma non privo di meriti.
