### **Salsera1974 says**

Trixie made me happy when I was a kid. Didn't she make you smile a little, too? :-)

### **Char says**

Some kids loved Nancy Drew and The Hardy Boys, or Encyclopedia Brown. I was all about Trixie Belden when it came to preteen mysteries. I loved Trixie's "romance" with Jim, her best friend, Honey's, adopted brother. Plus, Trixie was a tomboy. Not quite as perfect as Nancy.

### **LOL\_BOOKS says**

DID ANY OTHER MEMERS READ THE TRIXIE BELDEN BOOKS OR CHERRY AMES BOOKS? :D?

I TRIED TO READ TRIXIE BELDEN BECAUSE I LOVED THE OLD SCHOOL NANCY DREW BOOKS BUT I COULDN'T GET INTO THEM.

WE HAD A COUPLE OF TRIXIE BELDENS THAT WERE MY MOM'S WHEN SHE WAS A KID, AND I GOT A FEW FROM THE LIBRARY, BUT I WAS NEVER AS INTO THEM AS I WAS INTO NANCY DREW.

MY MOM TRIED TO GET ME INTO TRIXIE BELDEN AS A KID, BUT I WASN'T INTERESTED.

### **Kathy says**

This was my first mystery series that my Aunt Martha introduced me to in elementary school -- i still love them, although i must say they seem a bit dated when i read them now. I mean who says "jeepers" and drives a jalopy these days?

### **Mark Baker says**

The first three books in the series introduce many of the main characters and give us three great mysteries,

too. I still love this series, so I highly recommend you see where it all began.

Read my full review at Carstairs Considers.

### **Debra says**

these are the mysteries that I loved. Nancy Drew wore hose, Trixie was tomboy. I first learned about the day of the dead in one of these stories. to this day, I enjoy reading mysteries that teach something: history, folk lore, politics (see Ian Rankin)

### **Mell says**

I read these in late elementary school and early junior high, and they were hugely influential. A mystery series centered a strong, independent and action-oriented girl . . . I read every one. Thanks, Trixie, for inspiring me in many ways. :)

### **Danielle says**

These were my favorite pre-teen mystery novels : )
